

FEATURED INFORMATION

NEW FACTSHEET AVAILABLE

This [new factsheet](#) compares socioeconomic and legislative characteristics of electronic gambling machines across Quebec, Germany and France.

LAUNCH OF E-GAMES PROJECT

A partnership between the HERMES team, the Research Chair on Gambling and the research program "Responsible gambling and transition to adulthood", just launched the first phase of the E-Games project which aims to produce a first portrait of Free-to-play (F2P) gaming in Canada. Consult the [project page](#) for more information.

EARLY CAREER RESEARCH SHOWCASE

The *Early Career Research Showcase*, an event featuring national and international speakers, aims to highlight novel research undertaken by up-and-coming researchers in the gambling field. It will take place on Tuesday, **September 3, 2019 from 9:30 AM to 12:30 PM** at the Longueuil Campus of the Université de Sherbrooke, as part of the *New Critical Directions in Gambling Studies: An International Conference for Early Career Scholars*. The *Showcase* will be followed by a virtual poster session, and we encourage early career scholars and students to submit a [poster abstract](#) by July 31, 2019. Visit the [event website](#) for more information.

PUBLICATIONS

- **Monson, E., Kairouz, S., Perks, M., & Arsenault, N.** (2019) [Are General and activity-specific PGSI Scores Consistent?](#) *Journal of Gambling Issues*, advance online publication.
