ARTICLE 1: PREAMBLE

1.01 The parties recognize that the goals of the University are to attain the highest possible standards of academic excellence in the pursuit and dissemination of knowledge, to be achieved principally through teaching, research and community service, and to maintain a strong tradition of both full-time and part-time higher education and to preserve a high standard of education. All other functions at Concordia University exist to support this central academic purpose.

The parties agree to cooperate in the promotion of teaching and research and to encourage a climate of freedom of speech and enquiry, responsibility and mutual respect in the pursuit of these goals. A university environment characterized by freedom of speech and enquiry is required for the faculty members and librarians to fulfill their responsibilities. Freedom of speech guarantees the open exchange of ideas; freedom of enquiry guarantees the open investigation and interpretation of ideas.

Within the unique university context, the most crucial right is academic freedom. We affirm that this right is meaningless unless it entails the right to raise probing questions and challenges to the beliefs of society at large.

Academic freedom also implies that the parties agree to respect the right of all members of the academic community to exercise their academic freedom.

1.02 It is the purpose of this Collective Agreement to foster and maintain harmonious relations within the university community and to provide an amicable and effective means for settling differences which may arise from time to time between the Employer and members of the bargaining unit.

ARTICLE 6: ACADEMIC FREEDOM

6.01 The purpose of academic freedom is to provide security for fundamental academic values.

A university environment characterized by freedom of speech and of enquiry is required by the members to carry out the University's purpose. Freedom of speech guarantees the University as an open forum for the exchange of ideas; freedom of enquiry guarantees the University's commitment to the open investigation and interpretation of ideas.

Within the unique university context, the most crucial of human rights is the right to academic freedom. We affirm that this right is meaningless unless it entails the right to raise probing questions and challenges to the beliefs of society at large.

The parties agree to respect the right of all members of the academic community to exercise their academic freedom.

The commitments, rights, and responsibilities of members involve three major related roles: to participate in the search for basic truths, and to communicate openly the results of this search; to develop creative scholarship in specific disciplines, within which the students participate in the process of rational enquiry; to encourage where feasible the generalized application of scholarship and research to the benefit of the university community and the common good of society.

Members are entitled to freedom, without any form of institutional censorship, to disseminate their knowledge both inside and outside the classroom, to conduct research which they believe will enhance knowledge and to communicate the results of such research.

- 7.03 The parties agree that there shall be no discrimination, interference, restriction, coercion or unfair distinction exercised directly or indirectly or practiced with respect to any member in regard to any matter. In particular there shall be no discrimination, interference, restriction, coercion or unfair distinction by reason of age, race, creed, colour, national or ethnic origin, political or religious affiliation or belief, gender, sexual orientation, marital status or family relationship, membership in the Association or the exercise of a right conferred by this agreement or the law in regard to salary, rank, appointment, reappointment, promotion, tenure, sabbatical, teaching assignment or fringe benefits. The parties agree further to respect all applicable human rights and labour standards legislation.
- 7.04 The parties agree that evaluation for the purposes of Appointment (Article 12, 13); Reappointment and Promotion (Article 14, 15); and Tenure (Article 18, 19); shall take into account that there may be differences in career paths such as those associated with gender.
- 7.05 The parties agree that the employment or assignment of physically handicapped or disabled persons shall not be restricted provided that such disability does not interfere with their ability to perform necessary job requirements.
- 7.06 The parties agree that the Faculty members, Librarian members, and Administrators shall, in the course of their professional duties and responsibilities, make every effort to avoid situations of conflict of interest, to respect confidentiality, and to act in a way that is fair and reasonable and consistent with the principles of natural justice.

- g) Members who were hired, granted tenure, or promoted in an even-numbered year shall not be evaluated, and will automatically be eligible to receive CDI/step increases in the two subsequent academic years. Such members will be evaluated in the subsequent performance review exercise occurring in an even-numbered year.

- h) Probationary members shall not be evaluated for the purpose of awarding CDI/step increases but shall automatically be eligible for CDI/step increases in accordance with Article 39.

ARTICLE 16: DUTIES AND RESPONSIBILITIES OF FACULTY MEMBERS

16.01 The duties and responsibilities of faculty members fall into three (3) categories, regardless of where they are performed.

- a) Teaching, which in general includes: the preparation, organization and presentation of course materials for credit courses and availability to students outside of class hours; curriculum development and preparation of course material for student use; the direction and evaluation of student progress in courses and practical work (including marking and timely submission of grades) and if so specified by the Dean, thesis and other student research supervision (see Article 14.01 a)).
- b) Research and Scholarship, which in general includes: research, scholarly and critical or creative work within the faculty member's field; the dissemination of such work through respected publications, presentation of scholarly papers, exhibitions and performances, and other appropriate means; if so specified by the Dean (see Article 14.01 a)), the supervision of student research and theses, and the seeking of external research funding as appropriate to the discipline and the member's research profile. The primary objectives of such research shall be to increase knowledge and understanding and to further the faculty member's teaching and scholarly competence.
- c) Service to the University and the Community, which in general includes:
 - i) participation on University-wide bodies;
 - ii) administrative work;
 - iii) committee membership at the levels of the academic unit, Faculty and University, including student advising on academic matters;
 - iv) the taking of an active part in scientific, cultural, educational, professional, governmental and social bodies, together with activities involving expertise or popularization which are relevant to and compatible with the professorial role;
 - v) service to the Association;
 - vi) outside professional activities.

16.02 While the pattern of duties and responsibilities indicated in 16.01 varies among academic units and among individuals, these constitute the principal obligations of any faculty member holding a full-time appointment.

16.03 In accordance with the established procedures of the academic unit, and by mutual agreement with the faculty member, the academic unit heads and the Dean(s), academic duties may be assigned and carried out in academic units other than the member's primary unit. In the case of members holding a joint or cross appointment, or participating in an interdisciplinary teaching or research project with one or more members of another academic unit, academic duties in both primary and

secondary units shall be considered part of the member's duties for the purposes of all evaluations conducted under the provisions of Articles 14 and 18.

16.04 TEACHING LOAD AND TEACHING ASSIGNMENT

- a) The teaching load for each member shall be determined in a fair and equitable manner by the Dean, who shall take into consideration the dossier submitted for the biennial performance evaluation, if applicable.
- b) In years in which no performance review takes place, the Dean may request from some or all members of the Faculty a summary of teaching, research and service activities since the most recent performance review. Having assessed this material, the Dean may alter the teaching load in conformity with the provisions of Article 16.
- c) A Faculty or academic unit may develop guidelines on course remissions to be used in the determination of teaching load. These guidelines shall require the approval of the Dean and may encompass such matters as supervision of undergraduate and graduate students, research, publications, other creative work, laboratory development, management and administrative duties, and other service responsibilities.
- d) The annual teaching assignment for each member shall be fair and equitable, taking into account the nature of the courses (e.g. course levels, class sizes), number of different course preparations, and the member's research profile and service responsibilities.
- e) By April 1 the academic unit head shall make available in writing to each member of the academic unit information concerning the teaching assignments of all full-time faculty members of the academic unit for the current academic year. The information provided shall include the following:
 - i) the member's annual teaching load as determined by the Dean under the provisions of Article 16.04 a);
 - ii) the course sections taught by each member for the current academic year;
 - iii) a note giving the reason for all reductions from the normal teaching load as defined in Article 16.07 and 16.08 a);
 - iv) a note stating the teaching, if any, owed by the member to the University and of the future remissions, if any, owed by the University to the member.
- f) After consultation with the member, the academic unit head shall recommend to the Dean no later than April 1 a teaching assignment for each member of the unit for the following academic year, beginning with the summer term.
- g) The Dean shall inform each member of the Faculty no later than April 20 of her or his teaching assignment for the following academic year, beginning with the summer term. A copy shall be sent to the Association, and the information for each academic unit shall be made available in writing to each member of the academic unit.

- h) Any subsequent change to the teaching assignment shall require the faculty member's consent. Such consent in no way constitutes a precedent and shall not be unreasonably withheld.
- i) Notwithstanding the provisions of Article 16.04 h), if unforeseen teaching needs require it, the Dean may readjust the teaching assignment after consultation with the member. In doing so, the Dean shall take into account the impact of this readjustment on the other activities the faculty member intended to take on. The Dean shall give reasonable notice in writing to a faculty member whose teaching assignment is to be modified from the one established in Article 16.03 a) above. Courses added to the teaching assignment shall include only those that the member has taught in one or more of the previous three (3) academic years.
- j) When the teaching program of an academic unit or a Faculty includes courses in each of the three (3) terms of the academic year, the faculty member's teaching assignment is spread out over the fall and winter terms, unless there is a written agreement with the faculty member to the contrary. In the case of those academic units that offer programs in the Institute for Cooperative Education, a faculty member's teaching assignment may be spread over any two (2) of three (3) terms, if the faculty member is participating in the programs, unless there is written agreement with the faculty member to the contrary.
- k) Notwithstanding the above, and in the case of other special or extensive summer programs, a faculty member may, by mutual agreement, spread the teaching assignment over two (2) or three (3) terms, but no faculty member shall be required to teach during all three (3) terms except as specified in Article 16.12.
- l) Provision may be made for the averaging of the teaching load over a two (2) year period. Other duties and responsibilities will be adjusted to reflect the averaging of teaching duties.

16.05 The distribution among the faculty members of an academic unit or Faculty of the specific courses assigned is carried out taking into account their particular qualifications, any special conditions of appointment, and other activities.

16.06 Teaching duties shall be assigned, in the first instance, to academic staff.

16.07 PROBATIONARY MEMBERS

A teaching load not exceeding four (4) courses is appropriate during a probationary appointment to enable the member to establish a research program and to prepare new courses.

16.08 TENURED MEMBERS

- a) A teaching load not exceeding four (4) courses per academic year shall be assigned to a tenured faculty member where there is clear evidence of satisfactory productivity in

research and scholarship during the most recent evaluation period, taking into account the extent of the member's service.

- b) A teaching load not exceeding five (5) courses per academic year shall be assigned to a tenured faculty member where there is evidence of minimal productivity in research and scholarship during the most recent evaluation period, taking into account the extent of the member's service.
- c) A teaching load not exceeding six (6) courses per academic year shall be assigned to a tenured faculty member where there is no clear evidence of productivity in research and scholarship during the most recent evaluation period, taking into account the extent of the member's service.
- d) In setting the teaching load, the Dean may:
 - i) increase the member's teaching load if justified under the provisions of Article 16.08 a), b) and c), taking into account the extent of the member's service;
 - ii) reduce the member's teaching load if justified under the provisions of Article 16.08 a), b) and c) in cases where the member combines the teaching assignment with assigned extensive administrative responsibilities (e.g., undergraduate or graduate program Director), or with heavy responsibilities to manage and administer her or his research project(s).
- e) No tenured member shall be assigned more than twelve (12) courses over a two (2) year period, except as specified in Article 16.12 a) or, by mutual agreement, as per Article 16.04 i), provided the overload is offset by an equivalent reduction in the academic year immediately preceding or following the two year period.

16.09 ETA MEMBERS

- a) The duties and responsibilities of ETA members shall be those specified in Article 16.01 a) and 16.01 c).
- b) A teaching load not to exceed seven (7) courses per academic year shall be assigned to ETA members whose duties and responsibilities include normal service to the University. The Dean shall reduce the member's teaching load if the member combines the teaching assignment with more extensive service. In considering a member's service contribution, the Dean shall take into account not only specifically assigned administrative duties, such as program directorships, but also such activities as course coordination, committee work, coaching of students for academic competitions and recruitment activities.
- c) The minimum teaching load for ETA members will normally be four (4) courses per academic year.

- d) ETA members who, during an academic year, are assigned to teach five or more courses, each of which requires a distinct course preparation, shall receive a stipend of \$1,500 for each of the fifth (5th), sixth (6th), or seventh (7th) distinct course preparation.

16.10 LTA MEMBERS

- a) The parties consider that a teaching load of seven (7) courses in a given academic year is appropriate for a member holding a twelve (12) month LTA appointment whose duties and responsibilities include minimal service to the University. However, for a member holding a nine and a half (9.5) month LTA, a teaching load of six (6) courses is appropriate for the period of appointment.
- b) At least one (1) of the courses may be assigned in the summer term provided that twenty-two (22) consecutive days are available for vacation as per Article 31.06.
- c) Members holding LTA appointments of twelve months or more, shall not teach more than fourteen (14) courses over a two (2) year period except as provided in Article 16.12 a).
- d) Every effort shall be made to minimize the number of distinct course preparations in an academic year. LTA members who, during an academic year, are assigned to teach five or more courses, each of which requires a distinct course preparation, shall receive a stipend of \$1,500 for each of the fifth (5th), sixth (6th), or seventh (7th) distinct course preparation.

16.11 Members on leave should be consulted and shall be informed about their course assignments for the following academic year at the same time as other faculty members.

16.12 Stipends for Teaching Additional Courses

- a) A member who has fulfilled the duties and responsibilities set out in this Article may, upon agreement with the Dean, teach up to two (2) additional courses that have been scheduled and are available, for a teaching stipend, which shall be modified as follows:

Effective May 1, 2015: \$7,944

Effective May 1, 2016: \$8,055

Effective May 1, 2017: \$8,184

Exceptionally, a member may teach a third additional course but only if at least one of the courses is scheduled and taught in the summer term. Probationary members holding their first contract may not teach more than one (1) additional course per academic year.

- b) Members who wish to teach additional courses shall make their request in writing to the academic unit head or the Program Director as appropriate, who shall forward the request to the Dean and the Association with a recommendation. The application deadline is

January 15 for courses offered in the summer term and April 15 for courses offered in the Fall/Winter terms.

- c) The courses available for additional teaching may be scheduled in any of the three (3) terms, at the Dean's discretion, in light of the Faculty's needs and practices as per Article 16.01.
- d) Any additional courses assigned shall be listed in the same workload letter as the regular courses. The amount to be paid for teaching each additional course shall be clearly indicated. Should the Dean exceed the limits for additional teaching specified in Article 16.12 a), the Employer agrees to pay the Association a penalty equal to the teaching stipend for every additional course taught in excess of the limits specified.
- e) In a case where permission to teach a course (or courses) is denied, the Dean shall write to the member, with a copy to the Association, explaining her or his decision. Permission shall not be unreasonably withheld. In the case of a member whose teaching load has been reduced as set out in Article 16.08 d) ii), the Dean may deny a request to teach additional courses under this Article.

16.13 SPECIAL TEACHING STIPEND

- a) The Dean may pay a member an additional special teaching stipend not to exceed 80% of the teaching stipend specified in Article 16.12 a) for teaching a course which is characterized by the following:
 - i) Students with particular and changing needs,
 - ii) Additional special administrative tasks,
 - iii) Demanding schedules.
- b) Courses eligible for the special teaching stipend shall be so designated annually on a list sent to the Association by January 15 of the preceding academic year. For each course the amount of the special teaching stipend shall be indicated.
- c) The special teaching stipend shall be paid for teaching an eligible course whether it is part of the teaching assignment or part of additional teaching under Article 16.12 a).

16.14 COURSE REMISSIONS AND BANKING OF CREDITS

Course remissions will normally be used within the period for which they are allocated. In cases where the annual workload assigned by the Dean is not correspondingly reduced, the credits shall be banked.

When a member has accrued more than nine (9) banked credits, the credits in excess of nine (9) will be paid at the rate specified in Article 16.12 a) for the year in which the credits exceed nine (9). The payment shall be made at the latest by the end of the academic year following the academic year in which the banked credits exceeded nine

(9), unless through teaching load assignment, the bank is reduced to nine (9) credits in that academic year.

Any banked credits accumulated up to the end of the 2012/2013 academic year shall be paid out at the rate of \$6,703 per three (3) credit course.

ARTICLE 17: DUTIES AND RESPONSIBILITIES OF LIBRARIAN MEMBERS

17.01 The duties and responsibilities of librarian members fall into three (3) categories:

- a) Professional librarian activities means participation in the operation and development of the Libraries as an academic service and resource for students, faculty and other members of the community. These activities generally include the following: library instruction, teaching of library related courses, collection development, reference services, development and implementation of systems applications, participation on Library committees with the exception of those mandated by this Agreement, management and coordination of library resources and services, and the training and supervision of staff;

 - service to the Association;
 - outside professional activities.

17.02 While the pattern of the duties and responsibilities referred to in Article 17.01 may vary from member to member, these constitute the principal obligations of any member holding a full-time appointment.

17.03 The job description, provided to the member at the time of hire, shall indicate the duties and responsibilities that are to be performed by the member. Any revisions to this job description shall be made in a fair and equitable manner and provided to the member in writing by the Dean after consultation with the member. Changes in job descriptions shall take effect June 1.

17.04 After consultation with the member, and taking into account her or his particular qualifications, individual duties and responsibilities as described in Article 17.01 shall be assigned in writing by the Dean.

- a) Professional librarian activities referred to in Article 17.01 a) shall be assigned in a fair and equitable manner taking into account the member's experience, expertise and the professional responsibilities referred to in Articles 17.01 b) and 17.01 c).
- b) By March 1, subject areas for collection development and library related courses that have become available for assignment for the next academic year shall be announced. Librarian members shall indicate their interest in such assignments by March 15. The Dean shall make such assignments in a fair and equitable manner taking into account the member's qualifications and expressed interests and the operational needs of the Library. During the course of the year, additional subject areas and library related courses that become available for assignment shall also be announced. Librarian members shall indicate their interest within ten (10) days of the announcement.
- c) No librarian member shall be assigned teaching of library related courses unless such teaching was included in the job description at the time of hire or unless the librarian member has agreed to such an assignment.
- d) The maximum number of sections of library related courses that can be assigned to probationary and tenured members is two (2) per academic year unless the librarian member agrees to teach more.
- e) The maximum number of sections of library related courses that can be assigned to LTAs is five (5) sections per academic year, unless the librarian member agrees to teach more.
- f) When there is clear evidence of scholarship and/or research in the member's research portfolio (Art. 15.01) or, in the case of probationary members, upon the presentation of a research plan, the duties referred to in Art. 17.01 a) shall be reduced accordingly.
 - i) In the annual assignment the Dean shall reduce the duties assigned to a probationary member in accordance with Article 17.01 a) to enable the member to develop a research proposal and/or engage in scholarly activities and/or research. This reduction shall take the form of a minimum of thirty (30) days of research leave up to a maximum of sixty-six (66) days in any one academic year. Research leaves shall be granted by May 15 for the following academic year to be taken at a time mutually agreed upon by the Dean or designate and the member. If the request is for more than thirty (30) days and if the reduction length granted is different from the one requested, or if the leave is denied, a reasoned decision shall be provided to the member with a copy to the Association.
 - ii) In the annual assignment the Dean shall reduce the duties assigned to a tenured member in accordance with Article 17.01 a) to enable the member to engage in scholarly activities and/or research. This reduction shall be for a maximum of sixty-six (66) days in any one academic year. Research leaves shall be granted by

May 15 for the following academic year to be taken at a time mutually agreed upon by the Dean or designate and the member. If the reduction length granted is different from the one requested, or if the leave is denied, a reasoned decision shall be provided to the member with a copy to the Association.

- g) The Dean shall inform each librarian member in writing, by April 20, of the duties in accordance with Article 17.01 a), assigned to her or him for the following academic year. A copy shall be sent to the Association, and the information shall be made available in writing for consultation by each member in each Library.
 - i) Any subsequent change to the assignment as established according to the preceding clauses requires the member's consent. Such consent in no way constitutes a precedent and shall not be unreasonably withheld. A copy of the amended assignment and the written consent of the member shall be sent to the Association.
 - ii) Notwithstanding the above, if unforeseen needs require it, the Dean may, after consultation with the member, adjust the assignment. In doing so, the Dean shall take into account the impact of this adjustment on the other activities the member intended to take on and especially the impact on research activities. The Dean shall give reasonable notice in writing to a member whose assignment is to be modified from the one as established in Article 17.04 above. A copy of the new assignment shall be sent to the member and the Association.

17.05 With the prior agreement of the Dean a member may apply to a recognized granting agency for a time release stipend or similar funding to be used if the application is successful. Such requests shall not unreasonably be denied by the Dean.

17.06 Members holding LTA appointments shall have most of their duties assigned under the provisions of Article 17.01 a) as there will be minimal expectations of research and scholarship (Article 17.01 b)) and service to the University and community (Article 17.01 c)).

ARTICLE 18: TENURE FOR FACULTY MEMBERS

18.01 General Tenure Considerations

- a) Tenure as an academic status means continuing appointment in a full-time faculty position as Professor or Associate Professor until resignation, retirement, or termination under the provisions of this Collective Agreement.
- b) Tenure is granted as a means to ensure academic freedom, a principle to which the university community is dedicated.
- c) The granting of tenure is a confirmation of a person's competence and commitment to the creative task of higher education.
- d) The Board of Governors confers tenure only on the basis of a judgment made by the members' peers in accordance with the procedures set forth in this Article.
- e) Tenure shall be granted only to Canadian citizens or permanent residents. A member whose tenure is approved by the Board of Governors prior to obtaining Canadian citizenship or permanent resident status shall be granted nominal tenure status until citizenship or permanent residency is obtained.
- f) Tenure shall not apply to administrative offices or to any other position outside the bargaining unit. However, a faculty member with tenure shall not relinquish tenure upon receiving such an appointment. When the administrative term of office of a faculty member with tenure is completed, or should that person resign prior to the end of the term of office, she or he shall revert to faculty status with uninterrupted tenure.
- g) A tenured faculty member who transfers from one (1) academic unit to another within the University shall retain her or his tenured status.
- h) A tenured faculty member on reduced-time appointment as per Article 25 shall retain status as a faculty member with uninterrupted tenure.
- i) Only members who hold a probationary appointment at the rank of Assistant Professor and above shall be eligible for tenure consideration.
- j) A faculty member holding a joint appointment shall be considered separately by the DTC for each of the academic units. The DTC of each secondary unit shall submit its reasoned report to the DTC of the primary unit which shall take it into consideration in preparing its own reasoned report for submission to the FPTC of the Faculty in which the primary unit is located.
- k) A faculty member holding a cross appointment shall be considered by the DTC of the primary unit which shall solicit a written submission from the secondary unit.
- l) To be eligible for mandatory or early consideration for tenure a candidate may not have been on leave for any extended period during the residential teaching terms of the calendar year prior to consideration, except in the case of leave in accordance with Article 35.

18.02 Tenure Criteria

- a) For tenure to be granted, candidates shall have demonstrated a level and quality of competence and promise in the areas of activity described in Article 16.01 a) and 16.01 b) consistent with the academic unit, Faculty and University expectations, including conditions prescribed at the time of initial appointment or in the course of a reappointment exercise conducted in accordance with Article 14.
- b) Performance during the overall period of the probationary appointment shall be taken into account in applying the above criteria; when a candidate is considered under the provisions of Article 18.06 a) i), consideration shall be given to accomplishments prior to the probationary appointment.
- c) In addition to satisfying the criteria in Article 18.02 a), a candidate for tenure shall have given evidence of ability and willingness to fulfill the service expectations of the academic unit, Faculty, and University.

18.03 Mandatory Consideration for Tenure

- a) The following provisions shall apply in all cases with the exception of those where mandatory consideration for tenure has been deferred under the provisions of Article 18.05.
- b) The projected academic year of mandatory consideration for tenure shall be inserted in all contracts at the time of initial appointment.
- c) A faculty member holding the rank of Assistant Professor shall be considered for tenure during the academic year following the completion of four (4) years of service in a probationary appointment at the rank of Assistant Professor at Concordia University.
- d) A faculty member appointed without tenure at the rank of Associate Professor shall be considered for tenure in the academic year following completion of the following number of years of service in a probationary appointment:
 - i) two (2) years, in the case of members appointed primarily on the basis of prior tenured or probationary service at another university;
 - ii) four (4) years, in the case of members appointed primarily on the basis of prior professional or creative experience in a capacity other than tenured or probationary service at another university.
- e) A member who previously held a research appointment at the time of obtaining a probationary appointment may elect to reduce the number years of service to be completed prior to mandatory tenure consideration as follows:
 - i) in the case of members having taught ten (10) or more courses while holding the research appointment, by up to two (2) years;
 - ii) in the case of members having taught no fewer than five (5) and no more than nine (9) courses, by one (1) year.

18.04 Tenure on Appointment

- a) Notwithstanding Article 18.01 e) and Article 18.01 i), tenure may be conferred at the time of initial appointment to the University only at the rank of Associate Professor or Professor, and then only after a positive recommendation of the DTC. The academic unit head shall convene a meeting of the DTC in order to consider a candidate for tenure on appointment.
- b) An appointment at the rank of Associate Professor may be offered with or without tenure. An appointment at the rank of Professor shall be offered only with tenure.
- c) The DTC and the academic unit head shall each make a recommendation to the Dean concerning the conferral of tenure on appointment. The candidate for tenure on appointment shall not have the right to a hearing before the DTC but may be requested by the DTC to appear before it. The candidate shall not have the right to receive copies of the proceedings.
- d) The Dean shall review the DTC report, the candidate's dossier, and the academic unit head's report, and shall transmit them with her or his own comments, if any, to the Provost for consideration. If the DTC report recommends tenure on appointment, and if the Provost concurs with this recommendation, the President shall transmit the DTC report to the Board of Governors.

18.05 Deferral of Mandatory Tenure Consideration

- a) A member may request that consideration of tenure be deferred only once for a single period of one (1) or two (2) years for specific reasons, despite the fact that she or he has reached the stage defined in Article 18.03. In no case shall consideration for tenure be further delayed. The decision to grant or deny deferral shall be limited to a decision to grant or deny the deferral for the period requested by the member.
 - i) The faculty member seeking deferral of mandatory tenure consideration has the burden of establishing her or his case in a letter outlining the reasons for the deferral request with supporting documentation, sent to the academic unit head, with copies to the Dean, the Provost and the Association by October 15, in the academic year in which consideration for tenure would otherwise be mandatory.
 - ii) The decision of the DTC that there are not sufficient grounds for deferral shall be final and binding. Such a decision shall not constitute a refusal of tenure, and the provisions for mandatory consideration of tenure as per Article 18.03 shall apply.
 - iii) Should the DTC agree to deferral, a reasoned recommendation shall be forwarded to the Dean by October 31. The Dean shall review the request for deferral and the reasoned report of the DTC and make a decision by November 10.
 - iv) Should the Dean agree to deferral, the member's tenure consideration shall be deferred. Should the Dean not agree to deferral, the matter shall be brought before the FPTC whose decision shall be final and binding.
- b) Notwithstanding Article 18.05 a), a member who was on leave in accordance with Article 35 or on a leave of not less than forty-five (45) days granted in accordance with

Article 33, may request a deferral of tenure consideration. This deferral shall be automatic and shall have a duration of at least one (1) year.

- c) Mandatory tenure consideration shall occur at the tenure exercise following the end of the deferral.
- d) The granting of a deferral shall not prejudice a candidate's case for tenure in subsequent tenure consideration.
- e) The contract of a member granted a deferral of tenure shall be extended by a duration equal to the length of the deferral.

18.06 Early Consideration for Tenure

- a) Members who satisfy either of the following criteria may be considered for tenure prior to the date of normal mandatory consideration.

- i) two (2) or more years of service in a probationary position at another university before the date of their probationary appointment at Concordia University;

- ii) a record of superior performance during their probationary appointment at Concordia University sufficient to justify application by the member.

In such cases, tenure shall be granted only following a determination that the candidate's dossier is qualitatively and quantitatively consistent with expectations for mandatory consideration as set out in Article 18.03.

- b) Such consideration shall occur only following completion of the following numbers of years of service in a probationary appointment:

- i) two (2) years, in the case of a member holding the rank of Assistant Professor;

- ii) one (1) year, in the case of a member holding the rank of Associate Professor.

- c) Early consideration for tenure in accordance with Article 18.06 a) requires that the member notify the academic unit head, in writing, by October 15 of this intention, with copies to the Dean, the Provost and the Association. The responsibilities of the member going forward are those entailed in the regular mandatory tenure consideration process, as stipulated beginning in Article 18.09.

18.07 Denial of Tenure

- a) A candidate denied tenure following consideration under the provisions of Article 18.03 shall be offered a one-year non-renewable terminal appointment which shall terminate May 31 of the academic year following the year of application for tenure.

- b) A candidate denied tenure following consideration under the provisions of Article 18.03 shall not be reconsidered for tenure.

- c) A candidate denied tenure following early consideration under the provisions of Article 18.06 shall be considered for tenure a second and final time one (1) year later than normal mandatory consideration.

18.08 Procedure for Tenure Consideration

The academic unit head shall:

- a) constitute the DTC annually on or before September 15;

- c) make known to all tenured and probationary members of the academic unit by September 15 the membership of the DTC;

- f) convene the first meeting of the DTC by January 15, or earlier if there are requests for deferral. Notice of this first meeting shall be sent to all members of the DTC at least one (1) week prior to the date of that meeting;
- g) aid the DTC by providing all relevant documentation as requested.

18.09 Responsibilities of the tenure candidate

- a) The burden of establishing and documenting the case for tenure rests with the candidate. The candidate is responsible for the preparation of a complete dossier (see 14.01), setting out the case for tenure. The dossier shall be submitted to the Chair of the DTC by January 5 in the academic year in which the candidate is being considered. A faculty member who participates in the academic activity of academic units other than her or his primary unit is expected to include reference to such activity in the dossier, which the candidate submits to the DTC(s) with supporting material.
- b) The dossier submitted by the candidate may be supplemented with relevant information by the Chair and the Dean at the DTC stage of the proceedings. The candidate shall be informed of the nature of this information and receive copies of all supplemental documentation and shall have five (5) days to provide any commentary relevant to this supplementary information.
- c) Evaluations of a candidate's performance shall not be solicited from external referees.
- d) The candidate shall appear in person before the DTC.

18.10 Responsibilities of the tenure candidate with respect to the meeting with the DTC

ARTICLE 19: TENURE FOR LIBRARIANS

19.01 General Tenure Considerations

- a) Tenure as an academic status means continuing appointment in a full-time position as Associate Librarian or Senior Librarian until resignation, retirement, or termination under the provisions of this Collective Agreement.
- b) Tenure is granted as a means to ensure academic freedom, a principle to which the university community is dedicated.
- c) The granting of tenure is a confirmation of a person's competence and commitment to the creative task of higher education.
- d) The Board of Governors confers tenure only on the basis of a judgment made by the member's peers in accordance with the procedures set forth in this Article.
- e) Tenure shall be granted only to Canadian citizens or permanent residents. A member whose tenure is approved by the Board of Governors prior to obtaining Canadian citizenship or permanent resident status shall be granted nominal tenure status until citizenship or permanent residency is obtained.
- f) Tenure shall not apply to administrative offices or to any other position outside the bargaining unit. However, a librarian member with tenure shall not relinquish tenure upon receiving such an appointment. When the administrative term of office of a librarian member with tenure is completed, or should the person resign prior to the end of the term of office, she or he shall revert to librarian status with uninterrupted tenure.
- g) A tenured librarian who transfers from one (1) unit to another within the Library or to an academic unit within the University shall retain her or his tenured status.
- h) A tenured librarian on reduced-time appointment as per Article 25 shall retain status as a librarian member with uninterrupted tenure.
- i) Only librarian members who hold a probationary appointment shall be eligible for tenure consideration.

19.02 Tenure Criteria

- a) For tenure to be granted, candidates shall have demonstrated a level and quality of competence and promise in the areas of activity described in Article 17.01 a) and 17.01 b) consistent with the unit, Library and University expectations, including conditions prescribed at the time of initial appointment or in the course of reappointment exercises conducted in accordance with Article 15.
- b) Performance during the overall period of the probationary appointment shall be taken into account in applying the above criteria; when a candidate is considered under the provisions of Article 19.06 a) i), consideration may be given to accomplishments prior to the probationary appointment.
- c) In addition to satisfying the criteria in Article 19.02 a), a candidate for tenure shall have given evidence of ability and willingness to fulfill the service expectations of the unit, Library/Faculty, and University.

19.03 Mandatory Consideration for Tenure

- a) The following provisions shall apply in all cases with the exception of those where mandatory consideration for tenure has been deferred under the provisions of Article 19.05.
- b) The projected academic year of mandatory consideration for tenure shall be inserted in all contracts at the time of initial appointment.
- c) A librarian member shall be considered for tenure during the academic year following the completion of four (4) years of service in a probationary appointment at the rank of Assistant Librarian at Concordia University.
- d) A librarian member appointed without tenure at the rank of Associate Librarian shall be considered for tenure in the academic year following completion of the following number of years of service in a probationary appointment:
 - i) two (2) years, in the case of members appointed primarily on the basis of prior tenured or probationary service at another institution;
 - ii) four (4) years, in the case of members appointed primarily on the basis of prior professional or creative experience in a capacity other than tenured or probationary service at another university.
- e) To be eligible for mandatory or early consideration for tenure a candidate may not have been on leave for any extended period during the winter and the fall terms of the calendar year prior to tenure consideration, except in the case of leave in accordance with Article 35.

19.04 Tenure on Appointment

- a) Notwithstanding Article 19.01 e) and Article 19.01 i), tenure may be conferred at the time of initial appointment to the University only at the rank of Associate Librarian or Senior Librarian, and then only after a positive recommendation of the LTC. The Dean shall convene a meeting of the LTC in order to consider a candidate for tenure on appointment.
- b) An appointment at the rank of Associate Librarian may be offered with or without tenure. An appointment at the rank of Senior Librarian shall be offered only with tenure.
- c) The LTC shall submit a reasoned report to the Provost concerning the conferral of tenure on appointment. The candidate for tenure on appointment shall not have the right to a hearing before the LTC but may be requested by the LTC to appear before it. The candidate shall not have the right to receive copies of the proceedings.
- d) If the LTC report recommends tenure on appointment, and if the Provost concurs with this recommendation, the President shall transmit the LTC report to the Board of Governors.

19.05 Deferral of Mandatory Tenure Consideration

- a) A member may request that consideration of tenure be deferred only once for a single period of one (1) or two (2) years for specific reasons, despite the fact that she or he has

reached the stage defined in Article 19.03. In no case shall consideration for tenure be further delayed. The decision to grant or deny deferral shall be limited to a decision to grant or deny the deferral for the period requested by the member.

i) The librarian member seeking deferral of mandatory tenure consideration has the burden of establishing her or his case in a letter outlining the reasons for the deferral request with supporting documentation, sent to the Dean, with copies to the Associate University Librarian, the Provost and the Association by October 15, in the academic year in which consideration for tenure would otherwise be mandatory.

ii) The decision of the LTC that there are not sufficient grounds for deferral shall be final and binding. Such a decision shall not constitute a refusal of tenure, and the provisions for mandatory consideration of tenure as per Article 19.03 shall apply.

iii) Deferral may be granted only upon the favourable recommendation of the LTC, which shall submit a reasoned report to the Provost with a copy to the member by October 31.

iv) The Provost shall review the request for deferral and the reasoned report of the LTC and make a decision by November 10. The decision of the Provost shall be final and binding.

- b) Notwithstanding Article 19.05 a), a member who was on leave in accordance with Article 35 or on a leave of not less than forty-five (45) days granted in accordance with Article 33, may request a deferral of tenure consideration. This deferral shall be automatic and shall have a duration of at least one (1) year.
- c) Mandatory tenure consideration shall occur at the tenure exercise following the end of the deferral.
- d) The granting of a deferral shall not prejudice a candidate's case for tenure in subsequent tenure consideration.
- e) The contract of a member granted a deferral of tenure shall be extended by a duration equal to the length of the deferral.

19.06 Early Consideration for Tenure

- a) Librarian members who satisfy either of the following criteria may be considered for tenure prior to the date of normal mandatory consideration.
 - i) two (2) or more years of service in a probationary or tenured position at another university before the date of their probationary appointment at Concordia University;
 - ii) a record of superior performance during their probationary appointment sufficient to justify application by the member.

In such cases, tenure shall be granted only following a determination that the candidate's dossier is qualitatively and quantitatively consistent with expectations for mandatory consideration as set out in Article 19.03.

- b) Such consideration shall occur only following completion of the following numbers of years of service in a probationary appointment:
 - i) two (2) years, in the case of a librarian member holding the rank of Assistant Librarian;
 - ii) one (1) year, in the case of a librarian member holding the rank of Associate Librarian.
- c) Early consideration for tenure requires that the member notify the LPC, in writing, by October 15 of this intention, with copies to the Dean, the Provost and the Association. The responsibilities of the member going forward are those entailed in the regular mandatory tenure consideration process, as stipulated beginning in Article 19.09.

ACADEMIC UNIT HEADS

20.01 Academic unit heads shall be members of the bargaining unit and shall normally be tenured. In special circumstances, an appointment of a non-member may be made for a maximum of one year.

Effective June 1, 2015, compensation for academic unit heads shall be set at one of four (4) different levels depending on the size of the unit at October 1 of the academic year preceding the start of the appointment or any subsequent reappointment:

- a) Level 1: for up to ten (10) continuing members, excluding members on long-term disability: a stipend of \$7,140 per annum;
- b) Level 2: from eleven (11) to twenty (20) continuing members, excluding members on long-term disability: a stipend of \$9,180 per annum;
- c) Level 3: from twenty-one (21) to thirty (30) continuing members, excluding members on long-term disability, a stipend of \$11,220 per annum;
- d) Level 4: for more than thirty (30) continuing members, excluding members on long-term disability, a stipend of \$13,260 per annum.

20.02 In addition, such members shall have their teaching assignments adjusted in recognition of the administrative load they bear during their term(s) as academic unit heads. Academic unit heads will normally teach at least six (6) credits per year.

20.03 The functions of an academic unit head are to provide academic leadership and professional excellence, to administer the programs and resources in such a way as to achieve the stated goals of the academic unit, and to manage personnel. As part of their responsibilities, two (2) representatives of the academic unit heads appointed by the Association shall provide advice to the University administration during the negotiation of Collective Agreements of other bargaining units whose members report directly to them.

Appointment of an Academic Unit Head

20.04 In order to maintain continuity and minimize disruption in the academic unit, every effort should be made to complete the appointment process at least three (3) months before the end of the incumbent's term.

20.05 The Advisory Search Committee for Academic Unit Head (ASCAH) shall be established as stipulated in Article 11.01 and shall seek input from members of the academic unit. The members of the bargaining unit shall be informed of the names of candidates on the short-list, and time shall be allowed for input before a recommendation is made. The ASCAH will submit its recommendation accompanied by the procedure followed and justification of the selection to the Dean. If the Dean agrees with the recommendation, she or he shall forward the recommendation to the Provost.

- 20.06 In the event that the Provost does not accept the recommendation of the Dean, the Provost shall justify her or his decision in a reasoned report to the Dean with a copy to the ASCAH. The Provost shall consult with the Dean and the ASCAH before making an appointment.
- 20.07 In the event that the Dean does not accept the ASCAH's recommendation, the Dean shall send the committee a written justification for the rejection. The ASCAH shall reconsider the candidates available and shall forward another recommendation to the Dean.

- 20.09 When a position as academic unit head suddenly becomes vacant, the Dean shall recommend the appointment of an acting unit head to the Provost. Such recommendation shall be made after consultation with the members of the academic unit and shall have a duration of not more than one (1) year.
- 20.10 The Provost shall issue the letter of appointment with a copy to the Association.
- 20.11 The Dean will discuss with the successful candidate the goals and needs of the academic unit and the conditions of appointment such as stipend, teaching assignment, administrative assistance, research assistance, etc.

Duration of Appointment

- 20.12 The term of appointment will normally be three (3) academic years, but may be up to five (5) academic years if the ASCAH so recommends.
- 20.13 In the academic year following the completion of a member's appointment as academic unit head, and in recognition of the administrative load borne by a member during her or his term(s) as academic unit head, the Dean shall take into account the need to facilitate her or his integration into a normal pattern of duties and responsibilities by relieving her or him of some teaching duties. For a member who has completed one term as academic unit head, the Dean shall determine the teaching duties to be the same as the last academic year before the member became academic unit head, (before any administrative remission) and then reduce this assignment for the first academic term by three (3) credits following the completion of the administrative appointment. For a member who has so served for two (2) or more terms, the six (6) credits reduction will be for the first full academic year.
- 20.14 Instead of the reduced workload in Article 20.13, after three (3) consecutive years as an academic unit head, a member who is granted a sabbatical leave may opt to take it at ninety-two and a half percent (92.5%) of salary. After six (6) consecutive years as an academic unit head, (or five (5) years after a five-year appointment), the member may opt to take a granted sabbatical leave at one hundred percent (100%) of salary.

- 20.16 Effective June 1, 2015 members who are appointed as supervisory librarians shall be paid, on a bi-weekly basis, a stipend of \$ 6,760 or \$ 7,800 per annum for the duration of the appointment depending on the size and complexity of the unit.
- 20.17 The supervisory librarians shall have their library assignments adjusted in recognition of the administrative load they bear.

Appointment of a supervisory librarian

- 20.18 When a supervisory librarian position becomes available or is created, a Search Committee for Supervisory Librarians (SCSL) shall be established as stipulated in Article 11.13.
- 20.19 The principal criteria for the appointment of a supervisory librarian are academic leadership and professional excellence, combined with a demonstrated capacity for managing the programs and resources and achieving the stated goals of the Library.
- 20.20 The SCSL will seek input from librarian members. It will submit its recommendation accompanied by the procedure followed and justification of the selection to the Dean. The Dean shall forward the recommendation to the Vice-President, or, in the event that the Dean disagrees with the committee's recommendation, the Dean shall provide the Vice-President with a written justification for the rejection, with a copy to the SCSL. The SCSL shall consider the candidates available and forward another recommendation to the Dean.
- 20.21 In the event that the Vice-President does not accept the recommendation of the Dean, the Vice-President shall justify her or his decision in a reasoned report to the Dean with a copy to the SCSL. The Vice-President shall consult with the Dean and the SCSL before making an appointment.

- 25.04 Librarian members may apply for a reduced-time appointment of short duration no longer than three (3) months in the summer period. Such reduced-time appointments shall not be limited in number.
- 25.05 An application for a reduced-time appointment shall be made in writing to the Dean, with a copy to the Association by January 1 for leaves commencing July 1, and by June 1 for leaves commencing January 1.
- 25.06 Normally the reduction in time will not exceed one half (1/2) of the member's full-time service.
- 25.07 The Dean shall consult with the member's academic unit head/Associate University Librarian, and then make a recommendation to the Vice-President. In developing the recommendation, the Dean will be guided by the reasons stated for the proposed reduction in duties, and the academic and staffing requirements of the unit.
- 25.08 The letter regarding the reduced-time appointment shall be sent by the Vice-President and shall state clearly the nominal salary, the assigned duties and responsibilities, the actual salary, the effective date of the reduced-time appointment, and any other terms and conditions. The Employer may deny the request for a transfer from full-time to

reduced-time status based on the same considerations as those guiding the recommendation of the Dean, as specified in Article 25.07. Should the reduced-time appointment be denied, the letter shall state the reason(s) for denial.

The letter shall be sent by March 1 for leaves commencing July 1, and by September 1 for leaves commencing January 1, with a copy to the Association.

- 25.09 Upon receipt of the offer of the reduced-time appointment, the member shall ten (10) days to indicate in writing to the Vice-President acceptance of the reduced-time appointment and all of its terms and conditions as specified in the Vice-President's letter.
- 25.10 A member who accepts a reduced-time appointment shall have the same access to all University facilities as if employed on a full-time basis; and where the member has accepted a reduced workload in order to devote additional time to research, the Employer shall not unreasonably deny increased access to University research facilities.
- 25.11 A member granted a reduced-time appointment shall continue to be a member of the bargaining unit and shall be covered by the Collective Agreement.
- 25.12 A member granted a reduced-time appointment shall have a nominal salary computed as if the member were continuing on full-time status. All relevant salary adjustments shall be applied to this nominal salary. The actual salary to be paid to the member shall be pro-rated from the nominal salary in direct relation to the approved reduced duties for the reduced-time appointment.
- 25.13 A member granted a reduced-time appointment who is a participant in the Employer benefit plans shall continue to participate in the plans. The Employer's contributions shall be based on the nominal salary. Coverage in the University pension plan, the life insurance plan, and the long-term disability plan shall be based on the nominal salary of the member. Should the member be a contributing member of the pension plan, the member's contributions shall be based on the member's nominal salary.*
- * This is subject to the approval of Canada Revenue Agency, the Ministère du Revenu du Québec and the Employer's insurers.
- 25.14 For the purpose of computing credited service in pension calculations, a member on reduced-time appointment shall receive credit as if employed on a full-time basis.
- 25.15 Time spent on reduced-time appointment(s) shall be pro-rated for the purpose of counting service for sabbatical leave.

Payments to a member on salaried leave while on reduced-time appointment shall be reduced from the normal leave salary by the same percentage as the member's actual salary is reduced from the nominal salary.

25.16 Special Reduced-time Arrangement (See Article 42).

ARTICLE 26: SABBATICAL LEAVE

26.01 The purpose of sabbatical leave is to serve the objectives of the University by affording tenured members and ETAs a regular opportunity to maintain and enhance their academic and professional competence free from normal on-campus teaching/professional and service obligations. Sabbatical leave is intended to promote intensive scholarly and professional activity through sustained periods of concentrated research and study. The parties to this agreement acknowledge a joint responsibility to ensure the effective use of sabbatical leaves so as to strengthen the University in the achievement of its objectives.

26.02 For the purposes of calculations in Article 26, periods during which an academic staff member is temporarily excluded from the bargaining unit or on a leave without pay according to Article 32, shall not be counted.

Probationary and Tenured Members

26.03 Probationary and tenured members shall be eligible, upon application, for consideration according to the following options, provided that they will be tenured members at the time the leave begins:

OPTION 1:

After thirty-six (36) months of probationary or tenured employment at the University, six (6) months leave at eighty-five percent (85%) of regular salary plus a \$2,000 travel/conference allowance.

OPTION 2:

After seventy-two (72) months of probationary or tenured employment at the University:

i) a twelve (12) month leave at eighty-five percent (85%) of regular salary plus a \$4,000 travel/conference allowance.

OR

ii) a six (6) month leave at one hundred percent (100%) of regular salary plus a \$2,000 travel/conference allowance.

OPTION 3:

After eighty-four (84) months of probationary or tenured employment at the University:

i) a twelve (12) month leave at ninety percent (90%) of regular salary plus a \$5,000 travel/conference allowance;

OR

ii) a six (6) month leave at one hundred percent (100%) of regular salary plus a \$2,500 travel/conference allowance.

OPTION 4:

After ninety-six (96) months of probationary or tenured employment at the University:

OR

- ii) six (6) months leave at one hundred percent (100%) of regular salary plus a \$3,000 travel/conference allowance.

ETA Members

26.04 After one-hundred-and-twenty (120) months of employment as an ETA at the University, ETA members shall be eligible, upon application, for consideration for a leave as specified below for the purposes of concentrated formal study relevant to their ETA appointment. ETA members will be deemed to have started employment at the university on 1 July in the case of appointments beginning in the fall term and 1 January for appointments beginning in the winter term.

- i) twelve (12) months leave at eighty-five percent (85%) of regular salary plus a \$4,000 travel/conference allowance.

OR

- ii) six (6) months leave at one hundred percent (100%) of regular salary plus a \$2,000 travel/conference allowance.

26.05 A twelve (12) month sabbatical leave normally commences on July 1; a six (6) month sabbatical leave normally commences July 1 or January 1.

26.06 For the purposes of sabbatical eligibility, probationary or tenured employment at the University shall be counted from the date of regular appointment in the case of a member's first sabbatical leave; probationary members will be deemed to have started employment at the university on 1 July in the case of appointments beginning in the fall term. For subsequent sabbatical leaves, sabbatical eligibility shall be counted from the end of the previous leave except as provided for in Article 26.10.

For sabbatical entitlement, a member may accumulate up to ninety-six (96) months of eligibility in a sabbatical eligibility bank.

26.07 A member who is eligible to apply for a twelve (12) month leave may, in exceptional circumstances necessitated by an extensive research plan, request a two (2) year leave. Should such a leave be granted, the member shall receive fifty percent (50%) of nominal salary for each year away and a \$4,000 travel/conference allowance.

26.08 A member who is denied a sabbatical leave for financial reasons, or because satisfactory arrangements cannot be made to carry on the work of the applicant, shall not be denied on the next application for similar reasons.

26.09 Application for Leave

- a) Written application for sabbatical leave shall be received no later than September 15 by the Dean, with a copy to the academic unit head and to the Provost.
- b) Applications shall be supported by a description of the work planned by the member during the proposed leave, indicating the activities to be undertaken, and any fellowship or travel grant applied for or received.
- c) No later than October 31, the Dean shall make a recommendation to the Provost, who shall submit her or his recommendations to the Human Resources Committee of the Board of Governors.
- d) The Provost shall notify the member by December 31 of the year of the application whether or not the application has been granted.
- e) If a sabbatical leave is denied for reasons other than those stated in Article 26.08, the member, upon written request to the Provost, shall be provided with a reasoned report that establishes valid grounds for the denial.

26.10 Deferral of Approved Leave

- a) The Employer may defer a sabbatical leave for up to one (1) year in the event the member's services are required for the period of time planned for the leave.
- b) When the number of twelve (12)-month sabbatical leaves granted to librarian members to be taken in any year exceeds five (5), the Employer may limit the number of leaves by requiring that granted leaves in excess of five (5) be deferred for up to three (3) years.
- c) When the number of twelve (12)-month sabbatical leaves granted to ETA members to be taken in any year exceeds five (5), the Employer may limit the number of leaves by requiring that granted leaves in excess of five (5) be deferred for up to three (3) years.
- d) A granted sabbatical leave may be deferred by mutual agreement for up to three (3) years. A member's request for such a deferral shall not be unreasonably denied.
- e) The period of deferral under the provisions of Article 26.10 shall be counted as service towards an application for a subsequent leave.

26.11 A member may apply to use a portion of her or his sabbatical leave salary as a research grant. The Employer assumes no responsibility for the taxation status of such a grant and shall report such grants in accordance with the income tax laws and regulations.

- 26.12 Other remuneration which the member may receive during the period of salaried leave is limited to an amount that brings the total to one hundred and twenty percent (120%) of nominal salary inclusive of any sum identified as research grant under 26.11 above, but exclusive of grants for research purposes, monies obtained for authorized outside professional activities, expenses covered by the Employer and payments by other bodies to defray the travel and related expenses for the member. If other remuneration is sufficient to cause total salary income to exceed one hundred and twenty percent (120%) of nominal salary, the Employer will reduce its salary payment by an amount equal to that excess. Within three (3) months of returning from sabbatical leave, the member shall forward to the Provost a written declaration of the amount of remuneration received.
- 26.13 The Parties recognize that a member who has been granted a sabbatical leave has an obligation to return to the University on completion of the leave for a period of time at least equivalent to the duration of the leave, except in the case of a faculty member who retires immediately following a sabbatical leave.
- 26.14 Within three (3) months of returning from sabbatical leave, the member shall prepare and forward to the Dean, with a copy to the Association, a full written account of the member's research, scholarly and professional activities during the leave. A member who fails to submit this report within three (3) months of returning from sabbatical leave shall forfeit twelve (12) months of employment for the purpose of Articles 26.03 and 26.04, and shall be ineligible to apply for sabbatical leave until such time as the report has been submitted.
- 26.15 Time spent on sabbatical leave shall be included in the calculation of years of service for the purpose of promotion.
- 26.16 It shall be assumed that the member has taken annual vacation during the sabbatical leave, in proportion to the length of the sabbatical leave, subject to the provisions of Article 31.
- 26.17 A member shall not normally occupy her or his office for the duration of a sabbatical leave, but in consultation with the academic unit head arrangements may be made to leave books and equipment in place at a member's own risk.
- 26.18 A member may cancel her or his application for sabbatical leave by notifying the Provost in writing at least four (4) months prior to the commencement of the leave. After that date the leave normally may not be cancelled or deferred, unless the member has a valid reason, without forfeiting the right to reapply for sabbatical leave for two (2) years.
- 26.19 The Employer will defray the following costs, up to the travel/conference allowance limits provided in Article 26.03, 26.04 or 26.07, for a member on sabbatical leave, provided such costs are not covered by outside funds and provided that they form part of the leave application:
- a) travel to the principal place(s) at which the sabbatical leave will be spent;
 - b) costs of relocation such as moving and storage;
 - c) conference registration fees and related travel and accommodation costs;

- d) tuition costs;
- e) equipment, books, and supplies.

Claims for expenses in these categories shall be accompanied by the originals of the supporting receipts.

PATENTS AND COPYRIGHT COMMITTEE

- 27.03 A Patents and Copyright Committee (the “PACO”) is established composed of four (4) persons, two (2) to be named by the Employer and two (2) to be named by the Association. Alternates shall also be named, in the same way. The PACO members and alternates shall be appointed for a term of three years, which may be renewed. The PACO is presided over by a Chair, chosen by agreement between the Association and the Employer for a term of two years, which may be renewed. The Chair shall be a fifth PACO member, who shall vote only in the case of a tie. The quorum shall consist of all five (5) PACO members or alternates.
- 27.04 The mandate of the PACO is to resolve all disputes arising from the application of this Article.
- 27.05 When any matter in dispute regarding Intellectual Property is brought before the PACO, it shall have twenty-two (22) days to resolve the dispute. In the event that the PACO is not successful in resolving the dispute within twenty-two (22) days, it shall appoint a person of generally acknowledged reputation and expertise in dispute resolution, acceptable to both the Employer and the Association, to mediate the dispute.
- 27.06 In the event that the mediator reports that no settlement is possible, or if no settlement has been reached within thirty (30) days following the appointment of the mediator and the mediator reports no likelihood of imminent settlement, the matter shall be referred to an arbitrator in accordance with Article 27.08.
- 27.07 When the mediator reports that a settlement is possible, she or he shall make a report to the PACO, which shall draft an agreement for the parties according to the terms of the resolution and within twenty (20) days of the filing of the mediator’s report with the PACO.
- 27.08 If at any time after the mediator’s report a settlement is not reached, the Employer or the Association shall refer the dispute to arbitration in accordance with Article 22.08 *et seq*, except for the following difference:

The arbitrator will be assisted by two (2) advisors. The Employer and the Association will each name one (1) person to act as advisor to the arbitrator.

PATENTS

- 27.09 The provisions of this section apply to the property rights and Commercialization of Inventions developed at the University by members. The discovery of patentable Inventions is not a basic purpose of University research, nor is it a condition for support of such research. The Employer agrees that members have no obligation to seek patent protection for the results of academic work or to modify research to enhance patentability. The Employer further agrees that members have the unqualified right to decide whether or not to Commercialize their Inventions, subject to the terms and conditions set out in this Article.

- 27.10 The Employer has the authority to sign, and negotiate when required, any agreement relating to all grants, contracts and other agreements involving funds, sponsorship, research support of any description, whether monetary or in kind. With respect to the negotiation and acceptance of terms and conditions in any grant or contract, whether from public or private sources, the Employer shall ensure that the principles of Academic Freedom as defined in this Collective Agreement are respected. Any Intellectual Property rights resulting from a Work financed by a grant or contract shall then be governed by the conditions of that grant or contract.
- 27.11 A member who has produced an Invention which he or she intends to patent and/or Commercialize shall complete a Declaration of Invention (Appendix 9) in which the member states whether the Invention is Independent or Qualifying. The Declaration of Invention shall be filed with the Employer's Office of Research, which shall forward a copy of Part I to the Association as soon as the Declaration of Invention has been confirmed to be complete by the Office of Research and signed by the Associate Vice-President, Strategy & Operations. If the member fails to disclose the existence of a Qualifying Invention and proceeds with Commercialization, it shall be understood that the Employer maintains its rights under this Article.
- 27.12 The Employer shall, within twenty-two (22) days of the signing by the Associate V.-P., Strategy & Operations of the completed Declaration of Invention, inform the member in writing with a copy to the Association whether it consents to the member's declaration. Where there is disagreement on the characterization of the Invention, the matter shall be referred to the PACO in accordance with Articles 27.03 to 27.08. Any challenge by the Employer shall be null and void unless received within the above-noted time limit. Failure to respond to the member within twenty-two (22) days shall be considered as an acceptance of the Invention status declared by the member.
- 27.13 The Employer has no interest in or claim to any Independent Invention. Such Inventions and any patents arising therefrom shall be the sole property of the Inventor. However, a member and the Employer may enter into an agreement to Commercialize an Independent Invention. The Employer and the member shall then enter into an agreement in the form set out in Appendix 10A to provide for the terms and conditions of any possible future Commercialization of the Invention. The sharing of Net Proceeds will be consistent with the division set out in this Article 27.18 (a). A copy of this Appendix shall be sent to the Association at the time of the signature, but information that compromises the protection of the Intellectual Property shall be deleted.
- 27.14
- 1) A member who decides to patent or patent and Commercialize a Qualifying Invention may proceed as follows:
 - a) Patent and Commercialize with the assistance of the Employer and the Employer's agent; or
 - b) Patent and Commercialize without the assistance of the Employer; or

c) Patent without immediately Commercializing.

- 2) The member must select one of the foregoing three options no later than the expiry of the twenty-two (22) days set out in Article 27.15 (a) or 27.16 (a), as the case may be. Where, at the end of this twenty-two (22) day period, the member has made no selection, she or he shall be deemed to have chosen the option set out in Article 27.14 1)(a) and shall sign an agreement in the form set out in Appendix 10A.

27.15 If the member wishes to patent and commercialize a Qualifying Invention with the assistance of the Employer:

- a) She or he shall so notify the Employer within twenty-two (22) days of the determination that it is a Qualifying Invention, with a copy to the Association.
- b) The Employer and the member shall then enter into an agreement in the form set out in Appendix 10A to provide for the terms and conditions of any potential protection and Commercialization of the Invention and include the division of Net Proceeds in accordance with Article 27.18(a). A copy of this agreement shall be sent to the Association, but information that compromises the protection of the Intellectual Property shall be omitted.
- c) Within ninety (90) days of the signing of the agreement set out in Appendix 10A, the Employer shall indicate to the member whether it intends to patent and Commercialize the Invention or not, with a copy to the Association.
- d) Where the Employer indicates that the evaluation of the Invention will require more than ninety (90) days, the Employer shall promptly inform the member in writing of this fact, indicating the reasons therefore and indicate what additional time will be required to complete the task of evaluation, with a copy to the Association. The additional time shall not exceed sixty (60) days.
- e) In the event the Employer chooses not to patent and commercialize the Invention or fails to make this indication to the member within the allotted time, the member is free to patent and commercialize the Invention as she or he sees fit. In such event, except as provided for in Article 27.22, the Employer shall make no further use of the confidential information relating to the Invention. Any Net Proceeds shall be divided as set out in Article 27.18 (b).

27.16 If the member wishes to patent and Commercialize a Qualifying Invention without the assistance of the Employer, or where the member wishes only to patent the Invention:

- a) She or he shall so notify the Employer within twenty two (22) days of the determination that it is a Qualifying Invention, with a copy to the Association.
- b) Where the intention is to Commercialize without the assistance of the Employer, he or she shall, enter into an agreement with the Employer in the form set out in Appendix 10B. This agreement shall provide that the Commercialization plan and the identity of any third-party investor shall be subject to the approval and consent of the Employer.

The Employer shall not withhold its consent unreasonably. The sharing of Net Proceeds will be consistent with the division set out in Article 27.18 (a). A copy of this agreement shall be sent to the Association, but information that compromises the protection of the Intellectual Property shall be omitted.

- c) Where the intention is only to patent the Invention, the Employer and the member shall enter into an agreement in the form set out in Appendix 10B, subject to the condition that no Commercialization shall occur, except and until the Inventor gives her or his consent or until the Inventor undertakes any step towards Commercialization. Subject to the foregoing agreement, the Employer shall have no further immediate commercial interest, unless the member subsequently does any act or undertakes any step to Commercialize the Invention, whereupon the provisions of the agreement in form 10B shall thereupon take full effect as though the member had originally chosen to Commercialize immediately under 27.14 1)(b). The member shall notify the Office of Research in writing of the change in intention. The member may, in such notification alter her or his option and select Employer-led Commercialization as set out in 27.14 1)(a) and the provisions of Article 27.15 shall then apply. Where the member alters her or his selection and seeks Employer-led Commercialization, the Office of Research may, in its discretion, acting reasonably, evaluate the commercial potential of the Invention before agreeing to Commercialize.

27.17 The Employer, the Association, the member and any other third parties involved in any Commercialization process shall sign confidentiality agreements.

27.18 The division of Net Proceeds shall be made as follows:

- a) Fifty percent (50%) to the member(s), fifty percent (50%) to the Employer;
- b) Notwithstanding Article 27.18 (a) above, where the Employer refuses at the outset, as per Article 27.15 (e), to commercialize a Qualifying Invention, the division of Net Proceeds shall be ninety-five percent (95%) to the member(s), five percent (5%) to the Employer.

27.19 Whosoever carries out the Commercialization of a Qualifying Invention shall provide the other party or parties, as the case may be, with detailed quarterly progress reports including, where applicable, interim financial statements prepared in accordance with generally accepted accounting principles and, where they differ, the definitions agreed to in this Article. The distribution of Net Proceeds shall be on the basis of the annual financial statements but only when accumulated Net Proceeds are positive. Negative Net Proceeds shall be carried forward as an opening balance to the next period. On ten (10) days' written notice, either the member or the Employer may examine the books relating to the Qualifying Invention, and whosoever is responsible for maintaining the books shall grant reasonable access to all relevant documentation. This provision applies equally in the case of an Independent Invention where Commercialization is led by the Employer.

27.20 An explicit reference to the dispute resolution procedures of this Article shall be deemed to be included in every Commercialization agreement made with the member, whether for an Independent Invention or a Qualifying Invention.

- 27.21 The Commercialization of a Qualifying Invention shall not affect the right of the member or members to use the Invention for further research, publication or teaching purposes. This right may be suspended only for the duration of the process necessary to protect the Intellectual Property. The duration of such a process shall not exceed ninety (90) days, unless agreed otherwise by all parties involved, during which a confidentiality agreement shall be in force. This provision applies equally in the case of an Independent Invention where Commercialization is led by the Employer.
- 27.22 The member shall be deemed to have granted to the Employer a non-exclusive, royalty-free, irrevocable, indivisible and non-transferable license to use a Qualifying Invention for its own educational, teaching and research purposes for a period of ten years. This right may be suspended only for the duration of the process necessary to protect the Intellectual Property.
- 27.23 In the case where an Invention has more than one Inventor (Co- Inventors), the decision to file a Declaration of Invention and permit the Employer to Commercialize shall be by agreement of the Co- Inventors. In the event that the Co-Inventors cannot reach an agreement, the question shall be referred to the PACO in accordance with Articles 27.03 to 27.08.
- 27.24 Where a third party, not a member of the University, is a Co-Inventor of a Qualifying Invention, the member or members shall not consent to any plan of Commercialization that contravenes this Article.
- 27.25 The Concordia name, or any reference to Concordia, whether explicit or implicit, will not be used in connection with the development of an Invention without the express, prior written consent of the Employer.

COPYRIGHT

- 27.26 Copyright protects the right of expression and the right to publish, reproduce and distribute that expression. More particularly, in relation to a specific Work, Copyright means the sole right to produce or reproduce the Work or any part thereof in any form or in any medium chosen, to perform the Work or any part thereof in public or, if the Work is unpublished, to publish the Work or part thereof.
- 27.27 Copyright applies to all original Works as that term is understood by the *Copyright Act*, including but not limited to: scholarly, scientific, literary, dramatic, musical, artistic and recorded works, including Course or Instructional Materials in any material or electronic form.
- 27.28 The member will retain the Copyright of any Work, including Course or Instructional Materials, which results from research and teaching activities, except Commissioned Works. The Employer has no interest in or claim to any such Work, whether published or not, that the member has prepared, whether in the course of employment or otherwise. In the case of Commissioned Works, Article 27.30 applies.

27.29

- a) Notwithstanding Article 27.28 the member shall be deemed to have granted to the Employer for ten years, a royalty-free, non-exclusive, irrevocable, indivisible, non-transferable license to use any Work for research and teaching purposes of the University, provided that the Author is credited in every use and entitled, at her or his request, to correct, update or replace any Work or any part of any Work.
- b) The license granted to the Employer under Article 27.29 (a) will not be deemed to have conferred any right upon the Employer to Commercialize or to use the Work in e-Concordia or any private teaching endeavour, including any on-line or distance training or education programme that is not part of the regular teaching activities of Concordia University.

27.30 Where the Work is a Commissioned Work from the Employer or the result of a particular contract or grant held by the member through the University, the right to Copyright and the rights to royalties or other income shall be determined by the terms of that commission, grant or contract. In the case of a Work commissioned by the Employer, the Copyright shall remain with the Employer, unless the terms of the commission state that Copyright shall remain with the member.

27.31 The member shall retain all moral rights to any Work at all times. Nothing in this provision shall abridge, or impede the member's right to control her or his Work and to make decisions regarding it.

27.32 Where the Employer engages in any teaching initiative or programme through a third party or as part of an ancillary correspondence teaching programme, including on-line, other electronic or distance teaching programmes and wishes to include the Work of any member in that teaching initiative or programme, the Employer shall request permission to use the Work from the member. Should the member agree, the use of the Work shall be subject to a written agreement between the member and the Employer. A copy of this agreement shall be sent to the Association at least five (5) days before signing.

27.33 Should the Employer wish to erase or otherwise cease to use any member's Work, the member shall be given one (1) year's notice in writing of such intention and shall be permitted during that time to take either the original or a copy of all or a part of the work for her or his own use, and at a cost not exceeding the cost of the medium by which the work has been recorded. If the Employer decides to archive a member's Work, the member shall always have access to the archival copy.

29.03 The grounds for discipline shall include, but are not limited to:

- a) professional misconduct, such as neglect of duty, substantial or serious misuse of the University's proprietary data or property, or misrepresentation of credentials;
- b) failure to correct substantial or serious deficiencies in the fulfillment of duties appropriate to the appointment following due notification of such deficiencies and sufficient opportunities and time to redress same;
- c) an immediate threat to the University's employees, students or physical facilities; or malicious damage to University property.

29.04 Disciplinary measures shall be reasonable and commensurate with the seriousness of the violation. With the exception of dismissal proceedings under the provisions of Article 29.17, disciplinary measures shall be of a progressive nature with the aim of being corrective in application.

29.05 Information and documentation

If the information and documentation is not forwarded within that period, it shall not be used for any purpose.

29.08 All information and documentation concerning a disciplinary measure shall be kept in a temporary segregated disciplinary file not forming part of the personnel file. If the measure is

contested by a grievance and if the measure is not confirmed by a court of final resort, the temporary segregated disciplinary file shall be destroyed unless the member requests that its contents be placed in the personnel file. In all other cases the contents of the temporary segregated disciplinary file may be placed in the personnel file.

29.09 Notwithstanding any provisions of this Article, a member who is either receiving or is eligible for and willing to accept sick leave, compassionate leave or long-term disability benefits shall not be subject to dismissal or other disciplinary measure.

The Dean, or an Associate Dean designated by the Dean, shall thoroughly and properly investigate the alleged offence. In the case of a member holding a joint appointment, the Dean, or designated Associate Dean having administrative responsibility for the member's primary unit shall undertake the investigation. The investigation shall be concluded within twenty (20) days of the formal notification.

- d) If, during the course of the investigation, the Dean decides that there are no grounds to proceed with the case, she or he shall terminate the process and send a letter to the member. This letter shall not be placed in the personnel file unless the member requests that it be added to the file. The temporary segregated disciplinary file shall be destroyed, unless the member requests that its contents be placed in the personnel file.
- e) If, at the conclusion of the investigation, the Dean decides that a disciplinary measure is warranted, this decision, together with a detailed explanation of the reasons, shall be communicated in writing to the member. This decision shall be made and communicated within ten (10) days of the conclusion of the investigation referred to in Article 29.10 a).

- b) All letters of concern shall also remind the member that a repetition of the offence within two (2) years may result in a letter of warning.
- c) Every letter of concern shall state the particulars of the offence and shall include a statement of any remedial action the member is required to take.

- c) Every letter of warning shall specify that a repetition of the offence within two (2) years may result in suspension.
- d) Every letter of warning shall state the particulars of the offence and shall include a statement of any remedial action the member is required to take.

- e) Except in the case of an offence repeated within the two (2) year period specified in Article 29.13, the fact that a letter of warning has previously been issued shall not in itself provide sufficient grounds to impose a suspension.
- f) Every notice of suspension shall specify that a subsequent very serious offence within two (2) years may result in a further suspension or in dismissal.
- g) A suspension may be imposed for a stated period not to exceed twenty (20) days, the dates of which shall be recorded in the letter of warning.

Dismissal

The recommendation shall give particulars of the alleged grounds for dismissal.
- c) The Vice-President shall write to the member with a copy to the Association stating that she or he intends to initiate dismissal proceedings, and shall invite the member and an

- e) Within fifteen (15) days following the meeting envisioned in Article 29.16 d), the Vice-President shall render a recommendation or decision in writing, choosing one (1) of the following options:
 - i) Recommend to the President that the member be dismissed, with a copy to the member, the Association, and to all who were present at the meeting.
 - ii) Send a letter of concern or warning to the member with a copy to the Association or issue a suspension with or without pay.
 - iii) Terminate dismissal proceedings with no further action, and so inform the member, with copies to the Association and all who were present at the meeting. In this case, the temporary segregated disciplinary file shall be destroyed, and no reference to the proceedings shall be included in the personnel file, unless the member requests that the contents be placed in the personnel file.
- f) When the President receives a recommendation from the Vice-President to dismiss a member, the President's decision shall be communicated to the member within fifteen (15) days of the date of the recommendation, in writing. If the President rejects the recommendation to dismiss, the President shall terminate dismissal proceedings in accordance with Article 29.16 e) iii). If the President accepts the recommendation to dismiss, the member is then relieved of her or his duties, but retains full salary and benefits, for fifteen (15) days.

- h) If a grievance is filed, the matter shall be immediately referred to arbitration as per Article 22.04 d) and following. The member remains suspended, with salary and benefits continuing, until the decision of the arbitrator. If the grievance is not upheld the member's employment is terminated.

29.17 Dismissal in Extraordinary Circumstances

Members below the ceiling of their rank move up a step on the grid each year, effective June 1, provided that either performance has been at least satisfactory in the biennial performance review or they are not subject to review as per Article 14.14 or Article 15.11.

Members on leave without pay for more than one regular term in the previous academic year shall not receive a step increase. Members in the midst of a leave without pay extending for more than one regular term shall not receive a step increase.

a) Base Salary

The base salary is not determined in accordance with a salary grid.

b) Equity Supplement

Equity supplements granted under the provisions of the Collective Agreement signed on March 3, 2003 remain unchanged as long as the member's salary is governed by the Old Model.

39.07 ANNUAL CAREER DEVELOPMENT INCREMENTS (CDI) FOR MEMBERS WHOSE SALARY INCREASES ARE GOVERNED BY THE OLD MODEL.

Members whose salary is below the ceiling of the applicable rank as per the salary grid receive a Career Development Increment (CDI) increase equivalent to one percent (1%) of the Floor of Assistant Professor each year, effective June 1, provided that performance has been at least satisfactory in the biennial performance review.

Members on leave without pay for more than one regular term in the previous academic year shall not receive a CDI increase. Members in the midst of a leave without pay extending for more than one regular term shall not receive a CDI increase.

39.08 TREATMENT OF OLD MODEL SALARY COMPONENTS ON PROMOTION

If the salary floor for the new rank is higher than the sum of the base salary and equity supplement, the member's revised base salary shall be set at the salary floor for the new rank. In such a case, the equity supplement shall be discontinued.

The adjustment is applied after the CDI is awarded.

39.09 APPROVAL AND REVIEW OF INDIVIDUAL SUPPLEMENTS

- a) Subsequent to appointment, on the recommendation of the Dean, and with the approval of the Salary Review Committee (SARC), the Provost may grant a member an individual supplement or increase an individual supplement already granted to respond to external university market conditions.
- b) An individual supplement remains constant for a five (5) year period and shall be reviewed in the fifth year unless it has been fully integrated into a member's grid salary. Any residual amount shall become a revised individual supplement, subject to review in the fifth year. Individual supplements are not subject to any percentage increases. If a member's individual supplement is to be decreased or eliminated, the nominal salary remains constant. The member continues to receive the constant nominal salary until such time as the other components of the nominal salary reach the same level as the constant nominal salary.
- c) In all cases, the Provost shall send a reasoned decision to the member with a copy to the Association.
- d) When a member whose salary is governed by the provisions of the Old Model applies for, is granted and elects to receive a salary adjustment, the member's salary shall be moved to the New Model as follows:

 - ii) The member's appropriate placement on the applicable salary grid for the effective year of the increase shall be determined;
 - iii) If applicable, the hypothetical market supplement appropriate to the discipline, taking into consideration the market supplement stated in Appendix 3 and applicable depreciation up to May 31, 2015, according to years since promotion to the rank of Associate Professor, shall be added to the grid salary, using a FAP of \$50,000.

iv) The difference between the total salary calculated in Article 39.10 d) i) and the sum of the grid salary determined in Article 39.10 d) ii) and the depreciated market supplement calculated in Article 39.10 d) iii) shall become an individual supplement in accordance with the provisions of Article 39.01 c);

v) The member shall be informed in writing and by e-mail by the Provost of the result of the steps performed in Article 39.10 d) i) through 39.10 d) iv); if the member wishes to accept the proposed increase, she or he shall so indicate in writing to the Provost, within thirty (30) days of the date of the Provost's letter.

All relevant salary increments shall be applied to the nominal salary. The actual salary paid to the member shall be pro-rated from the nominal salary in direct relation to the approved percentage of reduced duties for the reduced-time arrangement. Should the reduction in duties be fifty percent (50%) the member shall be paid an additional one and one-half percent (1.5%) of the said nominal salary for each year of full-time service at the University in excess of ten (10) years up to twenty (20) years of full-time service, to produce an actual salary not exceeding sixty-five percent (65%) of the nominal salary.

 - e) Members who elect the special reduced-time arrangement leading to retirement as per this Article shall not receive their pension until retirement, or until they are required by law to receive their pension. If a member is required to receive full pension before the period leading to retirement has lapsed, the provisions of Article 42.09 a) shall no longer apply and the member shall instead be governed by the terms of Article 42.05 for the balance of the agreed-to period leading to retirement.

ARTICLE 43: TRANSFERS AND MERGERS

- 43.01 A member may be transferred to the Library or to an academic unit other than the one to which he or she was originally appointed, subject to the consent of the member, in consultation with the DPC in the member's academic unit or the LPC, and the DPC in the academic unit to which the member is transferring or the LPC. A member shall not unreasonably withhold his or her consent to be transferred.
- A member who applies for a position advertised in accordance with Articles 12 and 13 for which she or he is qualified in another academic unit shall be given first consideration.
- 43.02 The appointment of a member who transfers as per Article 43.01 shall be of a temporary nature for at least one (1) year. The procedures for initial appointment shall be in accordance with Articles 12 and 13. Performance shall be reviewed at the end of the temporary period and a decision shall be taken on whether to make the appointment permanent. The procedures for such review shall be in accordance with Articles 14 and 15. Should there be a decision not to make the appointment permanent or should the member withdraw the transfer request, the member shall resume her or his former duties without the loss of any entitlements.
- 43.03 Article 43.02 shall not apply in the case of transfers effected under the terms of Article 44 (Adjustments to Units for Academic Reasons).
- 43.04 A member who voluntarily transfers as per Article 43.01 or who transfers according to the terms of Article 44 (Adjustments to Units for Academic Reasons) shall retain rank, salary, tenure, years of service towards salaried leave and all other entitlements. The member's work in the previous unit shall be considered in the subsequent evaluation.
- 43.05 In the event of a merger, discontinuance, expansion and/or extension of the bargaining unit, all existing rights of the membership, as noted in the Collective Agreement, will be honoured.
- 43.06 In the event that Concordia University, in whole or in part, is consolidated, amalgamated, or merged into or with any other division, school, college, or component of a system of higher education in Quebec during the life of this agreement, the present bargaining unit, as defined in this agreement, shall remain distinct and this agreement shall remain in full force and effect.
- 43.07 In the event of an amalgamation, consolidation, or merger of Concordia University or any of its constituent Faculties or academic units with any other institution, employees eligible for membership in the Association who are not members of another bargaining unit with a current Collective Agreement in force shall, subject to a favourable vote, immediately become members of the Association in which case the terms and conditions of this Collective Agreement shall immediately apply to all such persons.
- 43.08 In the event that there is a successor or successors in interest in whole or in part to the Board of Governors of Concordia University such successor(s) shall be bound by and shall assume all the rights, duties, and obligations of the Board as if such successor(s) in interest were a named party and signatory to this agreement.

ARTICLE 44: Adjustments to Units for Academic Reasons

- 44.01 No member shall be laid off for reasons other than financial emergency as per Article 45.
- 44.02 No action shall be taken under the terms of this Article, unless academic needs and priorities have been established by the ongoing academic planning processes, and recommended changes requiring Council, Senate and/or Board approval have been ratified by the normal processes.
- 44.03 Exceptional circumstances
- a) Exceptional circumstances may warrant a reduction in the number of positions beyond what can be achieved through such normal processes as voluntary transfer, resignation and retirements as determined by this Collective Agreement. Senate shall determine if such exceptional circumstances exist. Suspensions of admissions in an academic unit, and other measures designed to limit the acceptance of new program students, shall only be permitted for a maximum of twelve months, unless Senate approval is obtained.
- b) In particular, before Senate can debate the issue of exceptional circumstances, there shall be at least three (3) months notice, and the affected unit shall be given the opportunity to present its case. In the course of this debate, Senate shall:
- i) review whether exceptional circumstances are such as to warrant closure of an academic unit/program if such action will result in a reduction in the number of faculty/librarian members, and
- ii) review whether the exceptional circumstances are such as to warrant an adjustment to the number of positions and to recommend on the size of the adjustment and the number of positions in the academic unit after the adjustment; and
- iii) verify that these actions are consonant with the academic priorities established by the Senate.
- c) When the debate is concluded and the question is called, the vote shall be deferred to the meeting immediately following. The vote shall then be taken with no further debate.
- 44.04 If the conditions of Articles 44.02 and 44.03 have been met, then the Employer shall:
- a) inform all members in the academic unit of its intentions to declare redundancy and establish a Joint Retraining and Transfer Committee (JRTC);
- b) terminate all part-time, LTA, ETA members with less than five (5) years of service and visiting faculty/librarian members in the unit upon the completion of their contracts;
- c) ensure that all tenured, probationary and ETA members with more than five (5) consecutive years of service are considered by the JRTC for an offer of transfer, or retraining and transfer in accordance with article 44.06 and subsequent paragraphs.
- 44.05 JRTC composition and procedures

- a) The JRTC shall be composed of three (3) appointees of the Provost and three (3) appointees of the Association. The non-voting chair shall be chosen by, and from among, the JRTC members.
 - b) The JRTC shall meet with the members concerned as well as, where appropriate, representatives of other units to which members may be transferred.
 - c) Within sixty (60) days of being established, the JRTC shall make reasoned recommendations to the Provost on the redeployment of the remaining members in the academic unit, with a copy to the Association and the members concerned.
- 44.06 In particular, the JRTC may recommend, for a member affected, that:
- a) an offer of transfer be made to a position in another academic unit or an academic administrative position on the condition that the member possesses the qualifications required for the position;
 - b) an offer of re-training and transfer be made should that person have the required aptitude for such training and a need exists. This option is available only for tenured members.
- 44.07 The Provost shall inform each of the members affected in writing of the reasoned decision in the member's case, with a copy to the Association, and make the member an offer. A member shall have up to thirty (30) days in which to respond.
- 44.08 When a member is offered a transfer as per Article 44.06 a) that person shall retain rank, salary, tenure, years of service towards salaried leave and all other entitlements.
- 44.09 A member who transfers shall have the right to continue research activity in her or his original discipline. The teaching assignment shall take into consideration the member's area of expertise.
- 44.10 A tenured member who has transferred without retraining shall have the right of first refusal for a vacant position in that member's area of expertise in the former academic unit.
- 44.11 A probationary member who transfers to another academic unit shall be eligible for mandatory tenure consideration in accordance with Articles 18 and 19 once the number of years required for tenure consideration have been served in the University. Such a member shall be entitled to up to four (4) years of deferral. The length of deferral chosen shall be contained in the Provost's letter.
- 44.12 When an offer is for re-training and transfer, it shall indicate the unit for which the member is to be retrained, and the member shall be granted sufficient time to develop a specific proposal for a retraining program in consultation with the appropriate Dean and submit it to the Provost. The Provost shall then make a formal offer of retraining which shall specify the period for which salary be continued. The member's full salary shall be continued for the entire period of retraining. The offer shall remain in effect for one (1) month. Upon successful completion of the retraining program the member shall be transferred to the academic unit in accordance with the provisions of Articles 44.08 and 44.09.
- 44.13 Should a member not wish to accept an offer of transfer or retraining and transfer, that member may:

- a) submit the case to arbitration in order to determine if the refusal is valid.
 - i) If it is concluded that the refusal is not valid, the member shall accept the offer within fifteen (15) days of receiving a copy of the decision or terminate employment with the University.
 - ii) If it is decided that the refusal is valid, the member maintains employment with the University so long as another offer is not made by the Provost. Once another offer is made the same procedure is repeated.
 - b) if eligible, opt for retirement as per Article 42.04 or for early retirement as per Article 42.07. Such members have the right to continue in the employ of the University for at least twelve (12) months from the date of the Provost's letter specified in Article 44.07, with employment ending May 31, August 31, or December 31 as the case may be. The members shall then receive a lump sum payment equivalent to one (1) month of their current nominal salary for every year of service to a maximum of twelve (12) years of service.
 - c) choose to terminate employment with the University. Members who choose to terminate employment and are not eligible for retirement or early retirement shall continue in the employ of the University for at least twelve (12) months from the date of refusal of the offer and ending May 31, August 31, or December 31 as the case may be. The members shall then receive a lump sum payment equivalent to six (6) months of their current nominal salary plus the equivalent of one (1) month current nominal salary for every year of service to a maximum of twelve (12) years of service.
- 44.14 All correspondence with regard to Article 44 shall be copied to the Association.
- 44.15 Should a member wish to submit the case to arbitration as per Article 44.13 a), the University shall pay the entire cost of the arbitration.
- 44.16 For the purpose of this Article, "academic unit" shall include all units in which one (1) or more regular members hold an appointment.

ARTICLE 45: FINANCIAL EMERGENCY

- 45.01 The Board of Governors and the Association agree that the first duty of the University is to ensure that its academic priorities remain paramount, particularly with regard to the quality of instruction and research, and preservation of academic freedom. Any reduction for budgetary reasons of regular members or of members on LTA appointments (in advance of the normal expiry thereof) shall occur only as a last resort during a state of financial emergency, that is, when substantial and recurring financial deficits threaten the survival of the University as a whole. Such reductions in members shall occur only in extraordinary circumstances, and then only after efforts to alleviate the financial crisis by economies in all other segments of the budget have been undertaken and after all reasonable means of improving the University's revenues have been exhausted.
- 45.02 Members may be laid-off in accordance with this Article if a state of financial emergency has been declared and confirmed pursuant to the procedures contained in this Article.
- Any such layoff shall not be treated, described or recorded as a suspension or as a dismissal for cause or other disciplinary measure.
- 45.03 In the event that the Board of Governors considers that a financial emergency exists, within the meaning of 45.01 and 45.08, it shall give notice of such belief. As of the date of such notice the procedures specified in this Article shall apply, and no new appointments, (excluding the renewal of probationary contracts) may be made to either the academic or administrative staff. No exceptional awards or other discretionary salary increases shall be made and no sabbatical leaves shall be granted.
- 45.04 Within two (2) days of giving notice of its belief that a financial emergency exists, the Board of Governors shall forward to the Association all financial documentation relevant to the alleged state of financial emergency.
- 45.05 Within fifteen (15) days of the notice specified in 45.03 above, the parties shall establish a Financial Commission which will consider the alleged financial emergency and either confirm it or reject it.
- 45.06 The composition of the Financial Commission shall be as follows: One (1) member shall be named by the Board and one (1) by the Association, and these two (2) members shall jointly select a third member from outside the Concordia University community who shall chair the Commission. If the two (2) designated members cannot agree upon a third member, then the third member shall be selected by lot, from a list jointly agreed upon by the Board and the Association.
- 45.07 The onus of proof shall be on the Board of Governors to establish to the satisfaction of the Financial Commission that a state of financial emergency exists within the meaning of 45.08 (i) below.
- 45.08 The Financial Commission shall invite and consider submissions on the University's financial condition. Inter alia, it shall determine:
- a) whether the University's financial position (as evidenced from the total budget and not just the academic or salary components thereof) constitutes a bona fide budgetary crisis such that deficits projected by generally accepted accounting principles are expected to continue for more than three (3) consecutive financial years;

- b) whether in view of the primacy of academic goals at the University, the reduction of the bargaining unit is a reasonable type of cost saving;
- c) whether all reasonable means of achieving cost saving in other areas of the University budget have been explored and exhausted;
- d) whether all reasonable means of improving the University's revenue position (including borrowing, deficit financing, and the disposal of assets not essential to the academic function) have been explored and exhausted;
- e) whether every effort has been made to secure further assistance from all levels of government.

The Commission shall have access to any and all data and documents which it deems relevant to its study, and shall have the power to call for submissions from any individuals or groups it chooses. The Association, Senate, the Faculty Councils and Student Associations shall have the right to make written and/or oral representations to the Financial Commission.

45.09 The Financial Commission will report to the Board of Governors, with a copy to the Association, within fifty (50) days of its establishment. The report shall immediately be made public. If the Commission finds that a state of financial emergency does not exist, no reductions in the size of the bargaining unit for budgetary reasons may take place. If the Commission finds that a financial emergency does exist, its report shall specify the amount of reduction required, if any, in the total budgetary allocation and including any reduction in the budgetary allocation to salary and benefits for members of the bargaining unit. Any reduction in the budgetary allocation to salary and benefits for the bargaining unit may be made conditional upon further exploration of alternative cost saving measures.

45.10 After receipt of the report of the Financial Commission the parties shall meet and confer with respect to its implications.

45.11 After submitting its report the Commission shall examine for a further sixty (60) days the following:

- a) whether enrollment projections are consistent with the proposed reduction of the bargaining unit;
- b) whether all means of reducing the bargaining unit, including voluntary early retirement, voluntary resignation, and/or voluntary transfer to reduced time status have been exhausted;
- c) whether possibilities of redeployment, or retraining for redeployment within the academic unit or in another academic unit or program have been exhausted;
- d) reactions to its report from the University community which shall be submitted within thirty (30) days of the publication of the Commission's report;
- e) whatever other matters it considers relevant.

For the purpose of this Article, "academic unit" shall include all units in which one (1) or more regular members hold an appointment.

No later than the end of this sixty (60) day period the Commission shall submit to the Board of Governors, with a copy to the Association, and make public, a final report.

The Commission shall remain seized of its jurisdiction and shall monitor that its proposed cost saving measures are being carried out.

- 45.12 Pursuant to the reports of the Financial Commission, should the financial emergency be of such gravity that action must include the laying-off of bargaining unit members, then the Board of Governors may reduce the budgetary allocation for salaries and benefits of members, however, such reduction shall not exceed the amount of reduction specified by the Commission. An Extraordinary Academic Committee shall then be established.

The Extraordinary Academic Committee (EAC) shall be composed of two (2) persons appointed by the Board, two (2) persons elected by members of the Association, and a chair from outside the Concordia University community, jointly selected by the four (4) persons identified above.

- 45.13 The EAC shall, in the light of the Senate's established academic priorities and the report of the Financial Commission, first determine the reduction required in the budgetary allocation for salaries and benefits of members of the bargaining unit for each Faculty and for the Library.

The percentage reduction in the budgetary allocation for salaries and benefit of members in each Faculty and in the Library shall not be more than 1.35 (one and thirty-five hundredths) times the percentage reduction of the total bargaining unit salary and benefits budgetary allocation. For the purpose of this provision, the following vacant positions will be treated as though they were occupied by persons whose salaries are as stated below:

- a) probationary positions which were duly authorized at least twelve (12) months prior to the date specified in 45.03 (and were subsequently advertised). The salary for each position shall be calculated as the floor salary of the rank authorized for the position;
- b) positions of probationary or tenured members who terminate their employment with the University within twelve (12) months before the date specified in 45.03, provided the continuation of such positions has been duly authorized prior to the date specified in 45.03, for bona fide reasons related to program needs and student enrollment patterns. The salary for each such position shall be calculated as the floor salary of the rank authorized for the position.

It is the responsibility of the Employer to establish to the satisfaction of the EAC that all such vacant positions satisfy the conditions of (i) or (ii) above.

45.14

- a) The EAC shall inform the members of each Faculty and the Library of the reductions required in each Faculty and the Library.
- b) Within the fifteen (15) days following receipt of this information those members who are fifty-five (55) years of age and over, and who exercise the option of early retirement at this stage, shall receive a payment equivalent to six (6) months of the current nominal salary.

- c) Within each Faculty the Dean shall convene a committee of all academic unit heads. In the case of the Library, the Dean shall convene a committee of Area Heads, Department Heads and Unit Heads. These committees shall have twenty-five (25) days from the receipt of the information from the EAC to propose a plan for reducing the budgetary allocation for that area to the amount determined by the EAC without requiring lay-off and/or compulsory early retirement of members. This plan shall be submitted to the probationary and tenured members of the area for approval by secret ballot vote within five (5) days. If the plan is approved by a two-thirds majority, it shall be binding on the EAC.
- 45.15 If no approved plan as per 45.14 c) is provided to achieve the required reduction in the ongoing budgetary allocation, the EAC shall develop such a plan using the following procedures:
- a) the total amount of the reduction shall be apportioned on an equal basis in each academic unit, and shall be determined as an equal percentage of the portion of the unit budget allocated to salaries and benefits of members of the bargaining unit;
 - b) the reduction shall be achieved by applying, in order, the steps listed in 45.16.
- 45.16 The EAC shall make recommendations based on applying to each unit in order, the following steps:
- a) the eligibility requirement of ten (10) years service for early retirement and pension (Article 4204 and Article 42.07) shall be waived and members fifty-five (55) and over shall be invited to take early retirement.
 - b) no LTA appointments shall be made or renewed for the following academic year;
 - c) no probationary appointments shall be made or renewed for the following academic year;
 - d) untenured members shall be laid off in reverse order of seniority as determined by the date at which the current period of full-time service at Concordia or at one of its founding institutions began;
 - e) tenured members shall be laid off in reverse order of seniority as determined by the date at which the current period of full-time service at Concordia or at one of its founding institutions began.
- 45.17 Within sixty (60) days of its establishment the EAC shall submit its decisions to the Board of Governors with a copy to the Association. Copies of the recommendation for each academic unit will be sent to the appropriate Dean.
- 45.18 The President shall write to each member selected for lay-off, specifying that the lay-off is solely for reasons of financial emergency pursuant to the provisions of this Article.
- 45.19 Notice of lay-off shall be given as far in advance as possible but shall not be less than twelve (12) months. Lay-offs shall take effect on June 1, September 1 or January 1.
- 45.20
- a) Tenured members who are laid off shall be eligible for a payment equivalent to a maximum of six (6) months of their current nominal salary plus the equivalent of one (1) month current nominal salary for every year of service to a maximum of twelve (12)

years of service. This amount shall be paid at the time the lay-off takes effect if it does not exceed twelve (12) months salary; otherwise, an amount equivalent to twelve (12) months salary shall be paid at the time the lay-off takes effect. The balance remaining shall be paid at the end of the first year of lay-off provided the member has not been recalled or obtained equivalent employment.

b) Any courses which are not assigned to those faculty members who are not laid off shall be offered, in the first instance, to tenured members who are laid off, at the prevailing part-time rate, without jeopardy to the terms of lay-off and recall. Such teaching shall be offered in a fair and equitable manner taking into account the member's qualifications. Laid off tenured librarian members shall have a similar entitlement, on a part-time basis, to those professional duties and responsibilities which are not assigned to continuing members.

45.21 Laid off tenured members shall have the right of first refusal, in seniority order, for reappointment to a position in their former academic unit if it is re-established within five (5) years unless the Employer can demonstrate that the position cannot be filled in this way.

45.27 A member who is recalled may, at her or his option, make retroactive payments into the pension plan for all or part of the time of the lay-off, and the Employer shall make matching contributions according to the terms of the pension plan as if the member had been on leave without pay.*

* It is understood that the exercise of this clause depends on its compatibility with the University pension plan and government regulations in such matters.

APPENDIX 2: SUPPLEMENTAL RETIREMENT PENSION (SRP) FOR CUFA EMPLOYEES OF CONCORDIA UNIVERSITY: SUMMARY OF PLAN PROVISIONS (ARTICLE 42)

Definitions

The terms “Average Yearly Maximum Pensionable Earnings”, “Credited Service”, “Earnings” and “Final Average Earnings” when used herein shall have the same meaning as defined in the Registered Plan, except that “Credited Service recognized under the SRP” only refers to service on or after 1 January 2003, the effective date of the SRP. The “Registered Plan” is the “Pension Plan for the Employees of Concordia University.” The “SRP” is the Supplemental Retirement Pension plan.

Membership

An employee covered by the CUFA Collective Agreement whose pension under the Registered Plan is affected by the maximum pension rules for years of Credited Service on or after 1 January 2003 shall automatically become a Member of the SRP.

Contributions

A Member’s required contributions under the Registered Plan are based on the Member’s total Earnings, without any maximum amount of contribution. Therefore, no Member contributions are required under the SRP.

Retirement Dates

The Normal Retirement Date is the first day of the month coinciding with or following the date on which the Member attains age 65.

A Member may elect to retire early or postpone retirement in accordance with the terms and conditions of the Registered Plan.

The retirement date of a Member for the purpose of the SRP shall be the same date as the retirement date under the Registered Plan.

Retirement Benefits

Normal Retirement Pension

A Member who retires on the Normal Retirement Date shall receive an annual pension, payable in the normal form as defined below, in equal monthly instalments of:

- i) 2% of Final Average Earnings less 0.5% of this average up to the Average Yearly Maximum Pensionable Earnings (AYMPE) for each year of Credited Service recognized under the SRP during which the Member was a contributor under the Registered Plan;

plus

- ii) 1.1% of Final Average Earnings less 0.25% of this average up to the AYMPE for each year of Credited Service recognized under the SRP during which the Member was not a contributor under the Registered Plan;

less

iii) the annual pension payable under the Registered Plan for years of Credited Service recognized under the SRP.

In no event shall the total pension payable under the Registered Plan and the SRP exceed the amount of pension that would have been payable in the absence of the maximum pension limitations under the Registered Plan.

Early Retirement Pension

A Member who retires early will receive an annual pension equal to the benefits determined as for normal retirement (without the 0.5% and 0.25% reductions for payments prior to attainment of age 65), reduced in accordance with the provisions of the Registered Plan,

less

the annual pension payable under the Registered Plan for years of Credited Service recognized under the SRP.

Postponed Retirement Pension

When a Member postpones retirement, the Member's annual pension under the SRP will be equal to the benefits determined as for normal retirement, revalorized in accordance with the provisions of the Registered Plan,

less

the annual pension payable under the Registered Plan for years of Credited Service recognized under the SRP.

Payment of Pension

The normal form of pension is a life annuity with a ten-year guarantee.

In lieu of the normal form of pension, a Member may elect any optional form of pension offered under the Registered Plan. The amount of pension payable shall be determined in accordance with the terms and conditions of the Registered Plan.

The Member shall be deemed to have elected to receive the pension payable under the SRP in the same form as the pension payable under the Registered Plan.

Automatic Indexation

Pensions in payment under the SRP are increased on each June 1 at the same rate as for those in payment under the Registered Plan: the rate is equal to the percentage increase in the Consumer Price Index over the 12-month period ending on the previous January 1, less 2%. The excess interest indexation of the Registered Plan shall not apply. The rate of increase shall be reduced on a prorated basis for pensions which have been payable for less than 12 months during the prior calendar year.

Benefits on Termination of Employment

No benefits are payable in case of termination of employment.

Benefits on Death

Any death benefit payable under the SRP shall be calculated in accordance with the provisions of the Registered Plan.

Minimum Pension

In any event, a Member's total pension (pension payable from the Registered Plan plus pension payable from the SRP) shall be at least equal to the sum of the pension provided by the Member's accumulated contributions under the Registered Plan plus the pension to which the Member would have been entitled if the Member had made no required contributions.

Taxation of Benefits

Any amount payable from the SRP is taxable at the time of payment.

Administration of the Plan

The SRP plan shall be administered by the Employer. The Employer shall establish a Supplementary Pension Committee, which will develop and recommend:

- The text of the document governing the SRP plan; this document will include the provisions contained in this appendix as well as the administrative procedures and regulations governing the administration of the SRP.
- A funding policy for the SRP plan that will include a policy for dealing with any surplus or deficit. It is expected that within five years of the coming into effect of the SRP plan, at least one half of the present value of future costs, as determined by an actuarial consultant, will be funded. The modalities of the funding and a plan to fund the balance shall be determined by the Supplementary Pension Committee.
- An investment policy for the SRP funds.

The Supplementary Pension Committee shall be composed of five (5) persons, all voting: the Manager, Pension Services, who shall act as Chair; two appointed by the Employer; two appointed by the Association.

The Association's representatives shall have the right and responsibility of full disclosure to the Association of all policies and determinations of the Supplementary Pension Committee, except for nominative information.

The Supplementary Pension Committee will engage the services of a consultant, as required. These services shall be paid for by the Employer.

APPENDIX 8: DECLARATION OF INVENTION

DECLARATION OF INVENTION

*The purpose of this form is to notify the University and CUFA of your potential Invention and any relevant sponsorship and publication history. A copy of **PART I** of this form will be forwarded to CUFA, while both **PARTS I and II** will be used by the University to initiate appropriate procedures. This form should be submitted when something new and useful has been conceived or developed, or when unusual, unexpected or unobvious research results have been achieved and can be used. Please attach additional pages where space provided for answers is insufficient.*

PART I

The term, Invention, means any new and useful art, process, machine, manufacture or composition of matter, living organisms, any technical innovation or discovery, including those related to computer programming, or any new and useful improvement in any art, process, machine, manufacture or composition of matter, any technical innovation or discovery, including, without limiting the foregoing, recombinant or genetic processes, or compositions involving biological materials. In deciding upon a title for the Invention, please use a brief descriptive title to assist in identifying the Invention.

Title of Invention :

Declarant's Name:	Declarant's Department:
Date of Declaration	

An Inventor is defined as any person who makes, discovers, or is directly responsible for an Invention, in whole or in part. In the context of the Invention which is being declared, "Inventor" shall refer to any Co-Inventor where there is more than one Inventor.

A Co-Inventor means any employee or student of the University, or any person from outside the University, who has made an inventive contribution to the Invention identified in this Declaration of Invention. Failure to identify and disclose all Co-Inventors will result in the delay or even denial of patent protection, since it may result in competing patent applications.

Section 10. Status of Invention at time of declaration

The purpose of this section is to determine the extent of development of the Invention and to what extent further development is required.

Development Status of Invention	
A. When was the Invention conceived? (For the sake of clarity, conception involves the formulation of the complete means for solving a problem. The mere recognition of a desirable result, or of a problem, or of a general approach to solving the same, without the formulation of the physical structure to accomplish that result or to solve the problem, will not suffice to constitute conception.)	_____
	Date
B. When was the Invention first reduced to practice?	_____
	Date
C. What is the extent of development of the Invention? (i.e. an idea, rough working model, prototype, etc.)	
D. Is work on the Invention continuing? Are there limitations to be overcome or other tasks to be done prior to practical application? Are there any test data?	

Section 11. Publications and other disclosures of the Invention

The answers provided to these questions will have a bearing on the ability to protect the **Invention**.

Disclosure of the Invention	
A.	<p>Has the Invention been disclosed by any of the Inventors to any other person or entity? (written or oral communication, publications, internal or external presentations, etc...)</p> <p>Yes <input type="radio"/> No <input type="radio"/> (If yes, please provide the date: _____ and, if in writing, a copy of the relevant documentation)</p> <p>If so, was it disclosed under the terms of a confidentiality agreement?</p> <p>Yes <input type="radio"/> No <input type="radio"/></p> <p>If so, please provide details:</p>
B.	<p>Do you intend to disclose the Invention in any way (including student theses) over the course of the next 6 months?</p> <p>Yes <input type="radio"/> No <input type="radio"/></p> <p>If so, when and to whom?</p>

Section 12. Confidentiality and Commercialization of the Invention

The University and the Inventor(s) will take all reasonable, best effort measures to protect the confidentiality of the Invention. Until a determination has been made to (a) Patent and Commercialize without the assistance of the Employer; or (b) Patent and Commercialize with the assistance of the Employer; or (c) Patent without immediately Commercializing and the University and the Inventor(s) have duly signed either Appendix 10A or 10B of the CUFA Collective Agreement, as appropriate, no disclosure shall be made to third parties unless each party receiving the information has, prior to disclosure, entered into a Non-Disclosure Agreement with the University in relation to the Invention.

Section 13. Standstill Provisions

The Inventor(s) and the University hereby agree that during the Standstill Period, the University shall have the sole and exclusive right and authority to deal with the Invention, to perform any evaluation, investigation or due diligence it may deem useful and that the Inventor(s) will cooperate fully with the University in this regard, providing relevant information and documentation as requested and signing all relevant authorizations or other relevant documents as and when requested to do so as part of the University's evaluation of this Invention. Further, during the Standstill Period, the Inventor(s) shall not disclose the Invention to any third party; nor shall the Inventor(s) transfer, assign, alienate, license or in any way deal with any part of their right, title and interest throughout the world in and to the Invention to any person whatsoever.

2. PURPOSE OF THIS AGREEMENT

2.1 This Agreement applies only to matters relating to the Project Intellectual Property.

2.2 This Agreement governs the protection through patenting, copyright or other relevant applicable legislation regarding intellectual property, as well as the development and potential Commercialization of the Project Intellectual Property.

3. ASSIGNMENT

3.1 The Inventor hereby assigns to Concordia University all right, title and interest throughout the world in and to the Project Intellectual Property, as well as all corresponding right, title and interest in and to any patent which may be accorded with respect to the Project Intellectual Property, and to all divisions, reissues, continuations, continuations-in-part and extensions thereof.

3.2 The Inventor agrees that title to the Project Intellectual Property shall be held by and in the name of the University and that in order to Commercialize the Project Intellectual Property, the University has complete authority to apply for patents for and related to the Project Intellectual Property and the authority to take such other action as may be necessary or desirable to sell, assign, license or otherwise deal with the Project Intellectual Property.

3.3 The Inventor also agrees to sign and require all Co-Inventors to sign all documents, to execute all oaths and to do everything else possible to aid the University, its successors, assignees and nominees to obtain and enforce patent protection for the Project Intellectual Property.

3.4 The Inventor agrees that the University shall have control of the working, selling, assigning, or licensing or otherwise dealing with the Project Intellectual Property; however, the University shall consult with the Inventor and carefully consider any information or requests made to it concerning the Project Intellectual Property before proceeding with the working, selling, assigning or licensing to any third party.

3.5 Where the University has not initiated any reasonable action or has not diligently pursued the Commercialization of the Project Intellectual Property or has not taken any reasonable steps toward protection through patenting, through copyright, or under other relevant applicable legislation regarding intellectual property or toward Commercialization, within one (1) year of the Effective Date, the University shall be deemed to have abandoned its rights to the Project Intellectual Property, and shall assign all right, title and interest in and to the Project Intellectual Property back to the Inventor and shall not claim any costs or disbursements from the Inventor.

3.6 Under the circumstances contemplated in section 3.5 of this Agreement, where the Inventor does proceed to the protection or the Commercialization of the Project Intellectual Property, the sharing of Net Proceeds shall be that set out in Articles 27.15(e), 27.18(b) and 27.19 of the CUFA Collective Agreement.

4. PROTECTION AND COMMERCIALIZATION OF THE PROJECT INTELLECTUAL PROPERTY

- 4.2 Where the University determines, in its entire discretion, to Commercialize the Project Intellectual Property it will take reasonable measures to protect the said Project Intellectual Property. In pursuing Commercialization of the Project Intellectual Property, the University may have recourse to commercialization agents.
- 4.3 The Inventor shall be informed in writing by the University of all third-party interest in the Project Intellectual Property, and the Inventor agrees to respect and sign, where requested to do so by the University, any agreement with third parties relating to the protection and Commercialization of the Project Intellectual Property.

Project Intellectual Property nor that, if it does pursue such activities that such protection or Commercialization efforts will be successful.

- 4.8 The University agrees that the Inventor may use the Project Intellectual Property nonexclusively and without compensation in connection with research or grant applications or other development activities, including inclusion in project reports and any other applications for continued funding. However, the Inventor shall ensure that any use of the Project Intellectual Property for any purpose referred to in this paragraph or any similar purpose shall be protected by a confidentiality agreement drafted in accordance with the principles set out in section 7 of this Agreement.

1. DEFINITIONS

All terms, unless otherwise defined herein, shall have the meaning assigned to them in the CUFA Collective Agreement.

“**CUFA Collective Agreement**” means the agreement entered into between the University and the Concordia University Faculty Association (CUFA) that is in effect as at the Effective Date.

“**Effective Date**” means the latest date on which a party to this Agreement has signed and all references to the Effective Date shall mean the date on which the last person to sign affixed her or his signature.

“**Inventor**” includes the plural and refers either to a single Inventor or more than one Co-Inventor.

2. PURPOSE OF THIS AGREEMENT

- 2.1 This Agreement applies only to matters relating to the Project Intellectual Property.
- 2.2 This Agreement governs the protection through patenting, copyright or other relevant applicable legislation regarding intellectual property, as well as the development and potential Commercialization of the Project Intellectual Property.

3. PATENT ONLY

- 3.1 Sections 3.1, and 3.2 of this Agreement shall apply where the Inventor has given notice in writing to the University of his/her intention to patent the Project Intellectual Property, but has no immediate plans to seek to commercialize the said Project Intellectual Property, whether with or without the assistance of any third party; further the Inventor has no intention to transfer, assign, alienate or by any other means relinquish any interest in the Project Intellectual Property. Where the Inventor wishes to take advantage of the right not to undertake immediate Commercialization, he/she and the University shall sign the present Agreement, together with the Patent-Only Schedule, attached hereto. Section 4.7 of this Agreement shall not apply, unless and until such time as any step towards Commercialization of the Project Intellectual Property is initiated by the Inventor. Where the Inventor undertakes any act or takes any step which can be reasonably construed to initiate Commercialization, the Patent-Only Schedule shall immediately become null and void and of no effect and the Inventor shall notify the Office of Research in writing of the change in intention. The member may, in such notification, alter her or his option and select Employer-led Commercialization as set out in Article 27.14 1 (a) and the provisions of Article 27.15 of the CUFA Collective Agreement shall then apply.

4. ASSIGNMENT

- 4.1 The Inventor hereby agrees and covenants that any development, Commercialization, licensing or other exploitation of the Project Intellectual Property shall provide for and preserve the University's interest. The Inventor further agrees that any third party, to whom the Project Intellectual Property may be assigned, conveyed or transferred, shall be approved by the University, in accordance with Article 27.16 of the CUFA Collective Agreement, prior to any such assignment, conveyance, transfer or licence. The said third party shall be bound

to acknowledge, preserve and protect the University's interest in and to the Project Intellectual Property and to join the present Agreement as a signatory.

- 4.2 The University, in consideration for the sharing of Net Proceeds, the representations, warranties contained in this Agreement and for other good and valuable consideration, the sufficiency of which the parties acknowledge, hereby assigns to the Inventor its right, title and interest throughout the world in and to the Project Intellectual Property, as well as all corresponding right, title and interest in and to any patent which may be accorded with respect to the Project Intellectual Property, and to all divisions, reissues, continuations, continuations-in-part and extensions thereof.
- 4.3 The parties hereby agree that in the event the University does not approve a Commercialization plan, or any third party participating in the Commercialization of the Project Intellectual Property in accordance with Article 27.16 of the CUFA Collective Agreement the assignment of the University's interest shall be deemed null and void as regards such unapproved Commercialization plan or third party participation. - 4.7 Where the Inventor has not initiated any reasonable action or has not diligently pursued the Commercialization of the Project Intellectual Property or has not taken any reasonable steps toward protection through patenting, copyright or under other relevant applicable legislation regarding intellectual property or toward Commercialization, within one (1) year of the Effective Date, the Inventor shall be deemed to have abandoned the Commercialization of the Project Intellectual Property, and shall assign right, title and interest of the Project

Intellectual Property back to the University, and shall not claim any costs or disbursements from the University.

- 4.8 Under the circumstances contemplated in section 4.7 of this Agreement, where the University does proceed to the protection through patenting, copyright or other relevant applicable legislation regarding intellectual property or the Commercialization of the Project Intellectual Property, Appendix 10 A shall be signed and the sharing of Net Proceeds shall be that set out in, Article 27.18(a) of the CUFA Collective Agreement.

5. Protection and Commercialization of the Project Intellectual Property

- 5.1 Upon the signing of this Agreement, subject to section 4.1 of this Agreement, the Inventor or any third-party nominee shall use best efforts and take reasonable measures for the protection of the Project Intellectual Property.
- 5.2 The University shall be informed in writing by the Inventor of any third-party interest in the Project Intellectual Property, and the provisions of sections 4.1, 4.2 and 4.3 of this Agreement shall apply.
- 5.3 The University shall be informed in writing by the Inventor of any material development in any negotiations with third parties involved in the Commercialization of the Project Intellectual Property.
- 5.4 The University may assist the Inventor in Commercializing the Project Intellectual Property and in this regard, by way of example but without limitation, by suggesting names of potential licensees and discussing the technical aspects of the Project Intellectual Property and/or its improvements with any potential licensee or partner that may show interest in obtaining license or other rights to the Project Intellectual Property.
- 5.5 A copy of all agreements in final draft with any third party involved in the Commercialization of the Project Intellectual Property shall be provided to the University ten (10) days prior to signature of any such agreement. All agreements with any third party shall be consistent with the rights of the University and the Inventor as set out in Article 27 of the CUFA Collective Agreement and this Agreement or, as the case may be, with the provisions of any grant, contract or other form of research support agreement through which the development of the Project Intellectual Property was funded either in whole or in part.
- 5.6 Subject to the foregoing condition, the University shall cooperate fully with the Inventor by signing all documents required to confirm or give full effect to any such agreement with third parties. Where the terms of any such agreement with third parties conflict with the terms of this Agreement or as the case may be, with the terms of any grant, contract or other form of research support agreement through which the development of the Project Intellectual Property was funded either in whole or in part, the University may refuse to permit the Commercialization to proceed until its rights and, as the case may be, the provisions of any grant, contract or other research support connected with the Project Intellectual Property are protected to its satisfaction, the University acting reasonably. Where the third-party

agreement does not so conflict, the University will cooperate fully with the Inventor by signing all documents required to confirm or give full effect to any such agreement with third parties. The University shall notify the Inventor in writing within the ten (10) day delay provided in section 5.5 above of its acceptance or rejection, and as the case may be, the reasons for such rejection of the third-party agreement. In the event the parties fail to resolve the matter within forty (40) days of receipt by the University of the third-party agreement, unless otherwise agreed by the parties, the matter shall be subject to the dispute resolution provisions of this Agreement.

- 5.7 The University understands and agrees that although best reasonable efforts will be used to Commercialize the Project Intellectual Property, the Inventor does not guarantee that such Commercialization or licensing efforts will be successful.
- 5.8 The University agrees that the Inventor may use the Project Intellectual Property nonexclusively and without compensation in connection with research or grant applications or other development activities, including inclusion in project reports and any other applications for continued funding. However, the Inventor shall ensure that any use of the Project Intellectual Property for any purpose referred to in this section or any similar purpose shall be protected by a confidentiality agreement drafted in the form set out in section 8 of this Agreement.
- 5.9 The Inventor and any third-party nominee shall keep accurate records and books of accounting in accordance with good accounting practice with respect to the Project Intellectual Property, including an account of all (i) costs and expenses incurred in obtaining, maintaining and defending patent protection for the Project Intellectual Property and (ii) all moneys or other consideration received during the calendar year for which it is accounting and all other information necessary for the accurate determination of charges and payments hereunder. The Inventor and any third-party nominee shall provide the University with reports in accordance with the provisions of Article 27.19 of the CUFA Collective Agreement, the names of the parties adapted *mutatis mutandis*.

Fifty percent (50%) to the Inventors in the proportions identified under Section 3 of DOI 20XX-XX;

- 6.2 In the event the Commercialization of the Project Intellectual Property leads to the establishment of a legal person (body corporate) or other entity, whether incorporated or otherwise in any jurisdiction whether Canadian or foreign, (the “Company”) for the exploitation or licensing of the Project Intellectual Property, the University, the Inventor and any third party shall negotiate their respective participation in the Company. Such negotiation shall be subject to the terms of this Agreement, and shall acknowledge this Agreement by signing it. Further, the amount of any development funds made available and the relevant mechanism through which it is repaid, the participation of any other parties, together with any other matter which the parties consider relevant, shall be subject to the terms of this Agreement.
- 6.3 All Net Proceeds shall be distributed in accordance with Articles 27.18 (a) and 27.19 of the CUFA Collective Agreement.
